ATTACHMENT A STATEMENT OF WORK

Contractor will support the prospective review, concurrent review and retrospective review processes, commonly referred to as utilization review. The utilization review process compares requests for medical services ("utilization") to treatment guidelines that are deemed appropriate for such services. Contractor's work includes the preparation of a recommendation based on that comparison. The process applies to non-emergent claims for both providers and facilities. Examples include gender reassignment surgeries, genetic tests, inpatient admissions, as well as procedures, medications and/or services that have recently been developed by the medical/scientific community but not yet commonly requested. The foregoing list is provided by way of example only; it is not exhaustive of all the types of procedures Contractor will be required to review.

1. Contractor shall review specific requests for medical services and procedures as assigned by the State's Clinical Operations Unit Director, and render a professional opinion regarding medical necessity using evidence-based literature when available, accepted medical standards of care, and/or Contractor's expert medical opinion. Decisions regarding the medical necessity of requested procedures shall adhere to the definition of medical necessity found in Vermont Medicaid Covered Service Rule 7103.
2. Contractor shall request and/or seek any additional clinical information necessary from the treating and/or referring Provider in order to complete the reviews in a timely manner.
3. Contractor shall work in collaboration with the State's Chief Medical Officer regarding utilization management activities and with the State's Medicaid clinical staff including Quality Improvement, Chronic Care, Program Integrity, and Pharmacy to identify areas for concern in the utilization program.
4. When the Chief Medical Officer is unavailable, Contractor shall review beneficiary appeals regarding requests for medical services that have previously been denied, and other duties as may be assigned during any absence of the Chief Medical Officer.
5. Contractor shall submit her/his medical opinion in a written report, in person or electronically, within five (5) business days of receipt of the request to render a medical opinion. Contractor shall inform the State in writing if they cannot meet the deadline for a request, but such notification shall not waive or extinguish the penalties associated with late submission per Attachment B.
6. When evidence-based national criteria for medical necessity are unavailable, Contractor shall research, recommend and/or review any clinical criteria that have been developed by the State. If necessary and as approved by the State, Contractor shall seek out subject matter experts for consultation.
7. Contractor shall keep a monthly record of all activities involved in fulfilling these responsibilities; including time spent reviewing cases or new clinical criteria. This record shall be submitted to the State at the end of each month.

8. In the event the Contractor is required to work in-person at State offices, the State shall provide the Contractor with an available hotel cubicle space, access to computer monitors, and additional office supplies of a reasonable nature. Contractor shall only use the space in accordance with all policies and procedures governing access to and use of State facilities which shall be made available upon request. State facilities will be made available to Contractor on an "AS IS, WHERE IS" basis, with no warranties whatsoever.
9. Contractor shall maintain an active license to practice medicine in the State of Vermont during the entire contract term. Contractor is solely responsible for maintaining said license.

Performance Measures

Pursuant to Paragraph 5 above, in the event the Contractor fails to submit a medical opinion on a given review within five (5) business days after the Contractor received the request for that review, the Contractor's hourly rate for any hours worked on the review will be reduced, as specified in Attachment B. This reduced rate will only apply to hours expended on the review in question.

Additional Requirements:

State will provide Contractor with an account affording e-mail and software tools to securely receive, read, annotate, or store documents, and to draft, edit, or store reports as necessary in performance of work under this Contract. The Contractor is responsible for providing hardware and ensuring hardware security is up to date. There is no PHI/PII shared under this agreement.

The Contractor may be given a State of Vermont Active Directory only account, synched with O365, with access to the Citrix environment.

2. A broadband internet connection is essential and shall be provided by the Contractor.
3. Microsoft Office is available in the Citrix environment.
4. Access within Citrix will be restricted to State designated folders.

- d) Report in writing to Covered Entity any *Successful Security Incident* or *Targeted Unsuccessful Security Incident* as soon as it becomes aware of such incident and in no event later than five (5) business days after such awareness. Such *Report* shall be timely made notwithstanding the fact that little information may be known at the time of the *Report* and need only include such information then available;

Individuals to ask questions or obtain additional information, as set forth in 45 CFR § 164.404(c).

8.4 *Business Associate* shall notify *Individuals* of *Breaches* as specified in 45 CFR § 164.404(d) (methods of *Individual* notice). In addition, when a *Breach* involves more than 500 residents of Vermont, *Business Associate* shall, if requested by Covered Entity, notify prominent media outlets serving Vermont, following the requirements set forth in 45 CFR § 164.406.

9. **Agreements with Subcontractors.** *Business Associate* shall enter into a Business Associate Agreement with any *Subcontractor* to whom it provides *PHI* to require compliance with HIPAA and to ensure *Business Associate* and *Subcontractor* comply with the terms and conditions of this Agreement. *Business Associate* must enter into such written agreement before any Use by or Disclosure of *PHI* to such *Subcontractor*. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the Use or Disclosure of *PHI*. *Business Associate* shall provide a copy of the written agreement it enters into with a *Subcontractor* to Covered Entity upon request. *Business Associate* may not make any Disclosure of *PHI* to any *Subcontractor* without prior written consent of Covered Entity.

Within five (5) business days, *Business Associate* shall forward to Covered Entity for handling any request for Access to *PHI* that *Business Associate* directly receives from an *Individual*.

11. **Amendment of PHI.** *Business Associate* shall make any amendments to *PHI* in a Designated Record Set that Covered Entity directs or agrees to pursuant to 45 CFR § 164.526, whether at the request of Covered Entity or an *Individual*. *Business Associate* shall make such amendments in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Business Associate* shall forward to Covered Entity for handling any request for amendment to *PHI* that *Business Associate* directly receives from an *Individual*.

12. **Accounting of Disclosures.** *Business Associate* shall document Disclosures of *PHI* and all information related to such Disclosures as would be required for Covered Entity to respond to a request by an *Individual* for an accounting of disclosures of *PHI* in accordance with 45 CFR § 164.528. *Business Associate* shall provide such information to Covered Entity or as directed by Covered Entity to an *Individual*, to permit Covered Entity to respond to an accounting request. *Business Associate* shall provide such information in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Business Associate* shall forward to Covered Entity for handling any accounting request that *Business Associate* directly receives from an *Individual*.

13. **Books and Records.** Subject to the attorney-client and other applicable legal privileges, *Business Associate* shall make its internal practices, books, and records (including policies and procedures and *PHI*) relating to the Use and Disclosure of *PHI* available to the Secretary of Health and Human Services (HHS) in the time and manner designated by the Secretary. *Business Associate* shall make the same information available to Covered Entity, upon Covered Entity's

request, in the time and manner reasonably designated by Covered Entity so that Covered Entity may determine whether *Business Associate* is in compliance with this Agreement.

14. Termination.

14.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by Covered Entity or until all the *PHI* is destroyed or returned to Covered Entity subject to Section 18.8.

14.2 If *Business Associate* fails to comply with any material term of this Agreement, Covered Entity may provide an opportunity for *Business Associate* to cure. If *Business Associate* does not cure within the time specified by Covered Entity or if Covered Entity believes that cure is not reasonably possible, Covered Entity may immediately terminate the Contract or Grant without incurring liability or penalty for such termination. If neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary of HHS. Covered Entity has the right to seek to cure such failure by *Business Associate*. Regardless of whether Covered Entity cures, it retains any right or remedy available at law, in equity, or under the Contract or Grant and *Business Associate* retains its responsibility for such failure.

15. Return/Destruction of PHI.

15.1 *Business Associate* in connection with the expiration or termination of the Contract or Grant shall return or destroy, at the discretion of the Covered Entity, *PHI* that *Business Associate* still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. *Business Associate* shall not retain any copies of *PHI*. *Business Associate* shall certify in writing and report to Covered Entity (1) when all *PHI* has been returned or destroyed and (2) that *Business Associate* does not continue to maintain any *PHI*. *Business Associate* is to provide this certification during this thirty (30) day period.

15.2 *Business Associate* shall report to Covered Entity any conditions that *Business Associate* believes make the return or destruction of *PHI* infeasible. *Business Associate* shall extend the protections of this Agreement to such *PHI* and limit further Uses and Disclosures to those purposes that make the return or destruction infeasible for so long as *Business Associate* maintains such *PHI*.

16. Penalties. *Business Associate* understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of *PHI* and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations.

17. Training. *Business Associate* understands its obligation to comply with the law and shall provide appropriate training and education to ensure compliance with this Agreement. If requested by Covered Entity, *Business Associate* shall participate in Covered Entity's training regarding the Use, Confidentiality, and Security of *PHI*; however, participation in such training shall not supplant nor relieve *Business Associate* of its obligations under this Agreement to independently assure compliance with the law and this Agreement.

18. Miscellaneous.

18.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the Contract or Grant, the terms of this Agreement shall govern with respect to its subject matter. Otherwise, the terms of the Contract or Grant continue in effect.

18.2 Each party shall cooperate with the other party to amend this Agreement from time to time as is necessary for such party to comply with the Privacy Rule, the Security Rule, or any other standards promulgated under HIPAA. This Agreement may not be amended, except by a writing signed by all parties hereto.

18.3 Any ambiguity in this Agreement shall be resolved to permit the parties to comply with the Privacy Rule, Security Rule, or any other standards promulgated under HIPAA.

18.4 In addition to applicable Vermont law, the parties shall rely on applicable federal law (e.g., HIPAA, the Privacy Rule, Security Rule, and HITECH) in construing the meaning and effect of this Agreement.

18.5 *Business Associate* shall not have or claim any ownership of *PHI*.

18.6 *Business Associate* shall abide by the terms and conditions of this Agreement with respect to all *PHI* even if some of that information relates to specific services for which *Business Associate* may not be a “*Business Associate*” of Covered Entity under the Privacy Rule.

18.7 *Business Associate* is prohibited from directly or indirectly receiving any remuneration in exchange for an *Individual’s PHI*. *Business Associate* will refrain from marketing activities that would violate HIPAA, including specifically Section 13406 of the HITECH Act. *Reports* or data containing *PHI* may not be sold without Covered Entity’s or the affected Individual’s written consent.

18.8 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for *Business Associate* to return or destroy *PHI* as provided in Section 14.2 and (b) the obligation of *Business Associate* to provide an accounting of disclosures as set forth in Section 12 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.
