(Note: pricing and terms and conditions are generally not considered confidential under the California Public Records Act).

5. PROPOSAL EVALUATION

- 5.1. Evaluations shall be based on the criteria contained in the Evaluation Criteria and Submittal Items to determine the proposals(s) that provide the best value to the County.
- 5.2. The County shall have the discretion, but not the obligation, to construe any submission as non-conforming and ineligible for consideration if it does not conform to the requirements of this Request for Proposals. The County shall also have the discretion to waive any irregularities or deviations from the requirements of this Request for Proposals in any submission.
- 5.3. Small-Local Business preference: In accordance with Section 405 of the San Diego County Code of Administrative Ordinances, when evaluating competing proposals, the County will give a fifteen percent (15%) price preference to offerors that meet the definition of a Small-Local Business set forth in Board Policy B-53 and that have completed the Small-Local Business Self-Certification Form.

The price preference will be applied to the proposed price portion of the evaluation only. Fifteen percent (15%) or one hundred and fifty-thousand dollars (\$150,000), whichever is less ("Price Adjustment"), shall be subtracted from any Small-Local Business's proposed price being evaluated for award ("Adjusted Price"). A Small-Local Business's Adjusted Price shall be the basis for evaluating the proposal's price. Contract award will be made to the proposer(s) providing the best value to the County after consideration of the price preference and will be made at the unadjusted price. For example, a Small-Local Business submitting a proposal for \$100,000 would be evaluated as if the proposed price was \$85,000. If, based on the Adjusted Price, the Small-Local Business is evaluated to be the best value, the Small-Local Business would be awarded a contract at the unadjusted price of \$100,000.

- 5.4. Reserved.
- 5.5. Therefore, Offerors are encouraged to include relevant information in their proposals.
- 5.6. During evaluation, the County may appropriately evaluate the cultural competency of Offeror and Offeror's proposed approach to providing goods and services. Therefore, Offerors are encouraged to include relevant information in their proposals.

Except as otherwise allowed by local, State, or federal law or regulation, Contractor agrees to only disclose confidential records where the holder of the privilege, whether the County, or a third party, provides written permission authorizing the disclosure. by the Contractor without the prior written approval of the County except as may be required by law. Contractor shall not disclose to any individual or organization any reports, records, data, or other information received, prepared, or assembled by Contractor under this Agreement

3.2.1 Specific Requirements for County Confidential Information under Sections 965 through 971 of the San Diego County Code of Administrative Ordinances

3.2.1.1 Definitions. For purposes of this Section, “County Confidential Information” means, collectively, information related to any: (i) actions that an individual has the right to undertake free from undue governmental interference, discrimination, or criminalization under federal, state, or local law including, without limitation, Reproductive Healthcare Services, Gender Affirming Health Care, Gender Affirming Mental Health Care, and exercising rights under the First Amendment of the United States Constitution (collectively, “Protected Personal Activity”), and (ii) actual or perceived attributes of an individual that are safeguarded from discrimination under state law, including, without limitation, immigration or citizenship status, disability status, gender identity or expression, or transgender status, sexual orientation, race, ethnicity, national origin, or language, and/or marital or familial status (collectively, “Protected Personal Characteristics”). All capitalized terms used in this Section 3.2.1, but not defined herein, shall have the meaning assigned to such terms in Section 966 of the San Diego County Code of Administrative Ordinances.

3.2.1.2 Confidentiality. Contractor agrees to maintain County Confidential Information received or obtained pursuant to the obligations under this Contract, if any, confidential, and shall not share and/or transmit such information to any third party including, without limitation, any governmental agency, unless required to do so pursuant to federal, state, or local law or as necessary to perform the obligations of Contractor pursuant to this Contract. Contractor agrees to include these requirements in any subcontract related to the performance of this Contract. The obligation to maintain County Confidential Information confidential and private shall survive the expiration or earlier termination of this Contract.

3.2.1.3 Notice Requirement for Interactions with Federal Law Enforcement, Out-of-State Law Enforcement, or Private Parties Acting Under Color of Law Enforcement Authority. Should Contractor receive a request from any Federal Law Enforcement Agency Personnel, Out-of-State Law Enforcement Personnel, or a Private Party Acting Under the Color of Law Enforcement Authority for assistance with any Law Enforcement Activity where the alleged criminal activity is a Protected Personal Characteristic and/or a Protected Personal Activity, Contractor shall, within five (5) business days of receipt of such request, notify COR in writing and include (i) the requesting party, (ii) a description of the request, and (iii) the County Confidential Information released, if any.

3.3 Public Records Act. The California Public Records Act (“CPRA”) requires County to disclose “public records” in its actual or constructive possession unless a statutory exemption applies. This generally includes contracts and related documents. If County receives a CPRA request for records relating to the Agreement, County may, at its sole discretion, either determine its response to the request without notifying Contractor or notify Contractor of the request. If County determines its response to the request without notifying Contractor, Contractor shall hold County harmless for such determination. If County notifies Contractor of the request, Contractor may request that County withhold or redact records responsive to the request by submitting to County a written request within five (5) business days after receipt of the County’s notice. Contractor’s request must identify specific records to be withheld or redacted and applicable exemptions. Upon timely receipt of Contractor’s request, County will review the request and at its sole discretion withhold and/or redact the records identified by Contractor. Contractor shall hold County harmless for County’s decision whether to withhold and/or redact pursuant to Contractor’s written request. Contractor further agrees that its defense and indemnification obligations set forth in section 17.1 of this Agreement extend to any Claim (as defined in section 17.1) against the County Parties (as defined in section 17.1) arising out of County’s withholding and/or redacting of records pursuant to Contractor’s request. Nothing in this section shall preclude Contractor from bringing a “reverse CPRA action” to prevent disclosure of records. Nothing in this section shall prevent the County or its agents or any other governmental entity from accessing any records for the purpose of audits or program reviews if that access is legally permissible under the applicable local, State, or federal laws or regulations. Similarly, County or its agent or designee may take possession of the record(s) where legally authorized to do so.

3.4 Custody of Records. Contractor shall deliver to County or its designee, at County’s request, all documentation and data related to Contractor’s work under this Agreement, including, but not limited to, County data and client files held by Contractor, at no charge to County. County, at its option, may take custody of Contractor’s client records upon Agreement termination, expiration, or at such other time as County may deem necessary. County agrees that such custody will conform to applicable confidentiality provisions of State and federal law and that retained records shall be available to Contractor for examination and inspection in accordance with applicable law. Contractor shall destroy records not turned over to County in accordance with applicable retention requirements and this Agreement. Notwithstanding the foregoing, Contractor may

Services shall include any additional or as-needed services specified in the SOW and Pricing Schedule and pre-approved in writing by COR or authorized by County task order issued in accordance with this Agreement (“As-Needed Services”).

Compensation for Reimbursable Expenses shall be at cost.

4.2.1.2 Where travel, lodging, or meal expenses (“Travel Expenses”) are allowable Reimbursable Expenses, rates must not exceed County-authorized rates set forth in San Diego County Administrative Code section 472. Should Contractor incur Travel Expenses greater than the County-authorized rates, Contractor shall not be entitled to reimbursement for the difference between the County-authorized rate for each category and the actual cost.

Payment terms are, unless otherwise specified by County, thirty (30) days from the later of: (i) performance of work under the Agreement entitling Contractor to payment, (ii) County receipt of a correct and substantiated invoice, and (iii) County receipt of all substantiating information. The County at its sole discretion may issue partial payment where only a portion of an invoice is correct and substantiated. Payment shall be deemed to have been made on the date that County submits electronic payment or mails a warrant or check. services rendered. Contractor shall not be entitled to any compensation, reimbursement, ancillary benefits, or other consideration for services rendered beyond that specified in Agreement.

4.6 Prompt Payment for Vendors and Subcontractors.

4.6.1 Unless otherwise set forth in this section 4.6, Contractor shall promptly pay Related Subcontractors for satisfactory performance of work required by this Agreement. Such prompt payment shall be no later than thirty (30) days after Contractor receives payment for such services from County, and Contractor shall apply such payments to the payment of the Related Subcontractor(s) that performed the work.

4.6.2 If Contractor determines that any payment otherwise due such Related Subcontractor is subject to withholding in accordance with a Related Subcontract, Contractor shall:

4.6.2.1 Provide written notice to the Related Subcontractor and COR within three (3) business days of such withholding stating the amount to be withheld, the basis for the withholding, and, if applicable, the cure required of the Related Subcontractor in order to receive payment of the amounts withheld; and

4.6.2.2 Reduce the Related Subcontractor's payment by an amount not to exceed the amount specified in the notice furnished under paragraph 4.6.2.1 above.

4.6.3 Contractor shall not include in any invoice to the County amounts that the Contractor has withheld or intends to withhold from a Related Subcontractor for failure to satisfactorily perform work in a manner required by this Agreement. If such withholding determination is made after submitting an invoice to the County, Contractor shall submit to County a revised invoice omitting or crediting such amount. Contractor shall not include such amounts in any subsequent invoices unless the Related Subcontractor has cured the basis for withholding.

4.7 Partial Payment. Contractor shall be paid only for work performed in accordance with this Agreement. If Contractor fails to perform a portion of the work or fails to perform some or all of the work in accordance with this Agreement, County, at its sole discretion, may provide partial payment to Contractor to reflect the reasonable value of work properly performed.

4.8 Withholding of Payment. Without limiting any other provision of this Agreement, County may withhold payment, in whole or in part, if any of the following exist:

4.8.1 Missing Information. Contractor has not provided to County reports, data, audits, or other information required for Agreement administration, for reporting or auditing purposes, or by State, federal, or other funding source.

4.8.2 Misrepresentation. Contractor, with or without knowledge, made any misrepresentation of a substantial and material nature with respect to any information furnished to County

4.8.3 Unauthorized Actions by Contractor. Contractor took any action under this Agreement that required County approval without having first received such approval.

4.8.4 Breach. In the County's determination, Contractor is, or at the time of performance was, in breach of any of the terms of this Agreement.

4.8.5 Wage Theft. Contractor has a judgment rendered against it by the California Division of Labor Standards Enforcement (DLSE), other state labor compliance body, or the United States Department of Labor that is unsatisfied. In such event, County may withhold payment from Contractor in the amount of such unsatisfied judgment until such judgment has been discharged.

4.9 Disallowance. County may disallow payment at any time if it determines that the basis for the payment is or was not eligible for compensation under this Agreement. If County makes payment to Contractor that is later disallowed by the County, State or federal government, or other funding source, County shall be entitled to prompt recovery of funds in accordance with Article 16.

4.10 Maximum Price. During the performance period of this Agreement, the maximum price for the same or similar items and/or services shall not exceed the lowest price at which Contractor then offers the items and/or services to its most favored customer.

4.11 Overpayments. If Contractor becomes aware of a duplicate contract financing or invoice payment or that County has otherwise overpaid on a contract financing or invoice payment, Contractor shall immediately notify the COR and County shall be entitled to prompt recovery of funds in accordance with Article 16.

4.12 Availability of Funding. The County's obligation for payment under this Agreement is contingent upon the availability of funding from which payment can be made. No legal liability on the part of the County shall arise for payment beyond the end of the County Fiscal Year for which funds are designated by the County. In the event that federal, State, or County funding ceases or is reduced, the County shall, in its sole discretion and without limiting any other provision of this Agreement, have the right to terminate or suspend this Agreement, or to reduce compensation and service levels proportionately.

ARTICLE 5
AGREEMENT ADMINISTRATION

- 5.1 The Director of the Department of Purchasing and Contracting or designated Department of Purchasing and Contracting official is the contracting officer for this Agreement ("Contracting Officer").
- 5.2 County's Agreement Administrator. The County has designated the individual identified in Article I as the Contracting Officer's Representative ("COR"). The COR will coordinate the County's administration of this Agreement.
- 5.2.1 The COR is designated to receive and approve Contractor invoices for payment, audit and inspect records, inspect Contractor services, and provide other technical guidance as required.
- 5.2.2 The COR is not authorized to make Changes to this Agreement, except for administrative adjustments, such as line-item budget changes or adjustments to the service requirements that do not change the purpose or intent of the Statement of Work, the Terms and Conditions, the Agreement Term, or the total Agreement price ("Administrative Adjustments"). Each Administrative Adjustment shall be in writing and signed by COR and Contractor.
- 5.3 Contractor's Representative. The person identified as Contractor's Representative shall ensure that Contractor's duties under this Agreement shall be performed on behalf of the Contractor by qualified personnel; Contractor represents and warrants that (1) Contractor has fulfilled all applicable requirements of the laws of the State of California to perform the services under this Agreement and (2) Contractor's Representative has full authority to act for Contractor hereunder. Contractor and County recognize that the services to be provided by Contractor's Representative pursuant to this Agreement are unique; accordingly, Contractor's Representative shall not be changed during the Term of the Agreement without County's written consent. County reserves the right to terminate this Agreement pursuant to section 7.1 "Termination for Default" if Contractor's Representative should leave Contractor's employ, or if, in County's judgment, the work hereunder is not being performed by Contractor's Representative.
- 5.4 Agreement Progress. Contractor shall promptly apprise the County of problems, if any, being experienced in completing the work under this Agreement. The Contractor shall also promptly notify the Contracting Officer (in writing) of any work being performed, if any, that the Contractor considers being over and above the requirements of the Agreement.
- 5.5 Agreement Progress Meeting. Upon request by either party, Contractor shall meet with the COR and/or other County personnel to review the Contractor's performance under this Agreement, with the COR or designated representative serving as meeting chair. The minutes of these meetings will be reduced to writing and signed by the COR and the Contractor. Should the Contractor not concur with the minutes, the Contractor shall set out in writing any area of disagreement within 10 days. Appropriate action will be taken to resolve any areas of disagreement.

ARTICLE 6
CHANGES

- 6.1 Changes. Changes to this Agreement may only be made by Administrative Adjustment, Change Order, or amendment, in accordance with this Article 6. No other modification of this Agreement shall be valid.

- 6.1.2 Change Order. The County may at any time, by written order, make Changes within the general scope of this Agreement ("Change Order"). If any Change Order causes an increase or decrease in the cost or time required for the performance of the work under this Agreement, an equitable adjustment shall be made to the price, delivery schedule, or both.

- 6.1.2.1 Contractor must assert any claim for equitable adjustment within thirty (30) days from the date of receipt by the Contractor of the Change Order; however, the Contracting Officer may receive and act upon any such claim asserted at any time prior to final payment under this Agreement where the facts justify such action. Where the cost of property made obsolete or excess as a result of a Change Order is included in the Contractor's claim for equitable adjustment, the Contracting Officer shall have the right to prescribe the manner of disposition of such property. Failure to agree to any equitable adjustment shall be a dispute concerning a question of fact within the meaning of Article 8 "Disputes". However, nothing in this section shall excuse the Contractor from proceeding with this Agreement as changed.
- 6.1.3 Amendment. The County and Contractor may modify this Agreement by written amendment signed by the Contracting Officer and Contractor.

ARTICLE 7
SUSPENSION, DELAY, AND TERMINATION

- 7.1 Termination for Default. In the event of Contractor's breach of this Agreement, County shall have the right to terminate this Agreement in whole or in part.
- 7.1.1 Prior to termination for default, Contracting Officer will send Contractor written notice specifying the default. Contractor shall have ten (10) days from issuance (unless a different time is given in the notice) to respond to the notice as directed by County to acknowledge the default or show cause as to why Contractor is not in default. Such notice may provide Contractor the opportunity to cure the default or to demonstrate progress towards curing the default. If Contractor fails to respond, or if Contractor's response is not satisfactory to the County, County may terminate this Agreement for default upon written notice from Contracting Officer.
- 7.1.2 If County determines that the default contributes to the curtailment of an essential service; poses an immediate threat to life, health, or property; or constitutes fraud or other serious misconduct, County may terminate this Agreement for default by written notice from the Contracting Officer without the notice described in section 7.1.1 above.
- 7.1.3 In the event of termination for default, all finished or unfinished documents, and other materials, prepared by Contractor under this Agreement shall become the sole and exclusive property of County.
- 7.1.4 If, after termination for default, it is determined for any reason that Contractor was not in default under this Agreement, the rights and obligations of the parties shall be the same as if terminated for convenience under section 7.5 "Termination for Convenience."
- 7.2 RESERVED
- 7.3 Failure to Perform. Contractor shall immediately notify the COR upon learning that it has, or that it is reasonably foreseeable that it will, fail to perform or timely perform its obligations under this Agreement for any reason, including, but not limited to, a labor dispute, emergency, epidemic, pandemic, or supply chain shortage. In such event, Contractor shall, upon request, prepare and deliver to the COR a written mitigation plan. Nothing in this section relieves the Contractor of its obligations under this Agreement.
- 7.4 Reduction in Funding. In the event there is a reduction of funds made available by County to Contractor under this or subsequent agreements, the County and its departments, officers and employees shall incur no liability to Contractor and shall be held harmless from any and all claims, demands, losses, damages, injuries, or liabilities arising directly or from such action.
- 7.5 Termination for Convenience. The County may, by written notice from Contracting Officer, terminate this Agreement for convenience, in whole or in part, at any time. Upon receipt of such notice, Contractor shall promptly report to County all undelivered or unaccepted work performed in accordance with this Agreement prior to termination ("Incomplete Work"). - 7.5.2 In no event shall the County be liable for any loss of profits or any other consequential damages.
- 7.5.3 County's termination of this Agreement for convenience shall not preclude it from changing the termination to a default, as set forth in section 7.1 of this Agreement, nor from taking any action in law or equity against Contractor for:

County reserves the right to prohibit, without prior notice, Contractor and/or Contractor's Workforce from 1) accessing County data, files, and/or electronic systems; 2) treating County's patients, clients, or facility residents; or 3) providing any other services under this Agreement.

ARTICLE 8
DISPUTES

Notwithstanding any provision of this Agreement to the contrary, the Contracting Officer shall decide any dispute concerning a question of fact arising out of this Agreement that is not otherwise disposed of by the parties within a reasonable period of time. The decision of the Contracting Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly erroneous as necessarily to imply bad faith. Contractor shall proceed diligently with its performance hereunder pending resolution by the Contracting Officer of any such dispute. Nothing herein shall be construed as granting the Contracting Officer or any other administrative official, representative or board authority to decide questions of law, or issues regarding the medical necessity of treatment or to pre-empt any medical practitioners' judgment regarding the medical necessity of treatment of patients in their care. The foregoing does not change the County's ability to refuse to pay for services rendered if County disputes the medical necessity of care.

ARTICLE 9
DISENTANGLEMENT

- 9.1 General Obligations. Such work must be approved in writing by County approval of a written Disentanglement plan or separately in writing and is subject to the Compensation clause on the signature page.

Contractor's obligation to provide Disentanglement services shall not cease until all Disentanglement obligations are completed to County's reasonable satisfaction, including the performance by Contractor of all Specific Obligations of Contractor. Any available insurance proceeds in excess of the specified minimum limits and coverage stated above, shall also be available to the County of San Diego.

2. Self-Insured Retentions

Self-insured retentions must be declared to and approved County Risk Management. County may require the Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or County. Any and all deductibles and SIRs shall be the sole responsibility of Contractor or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. County may deduct from any amounts otherwise due Contractor to fund the SIR/deductible. The Umbrella or Excess policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until the Contractor's primary and excess liability policies are exhausted.

6. Evidence of Insurance

Prior to commencement of this Contract, but in no event later than the effective date of the Contract, Contractor shall furnish the County with a copy of the policy declaration and endorsement pages along with the certificates of insurance and amendatory endorsements effecting coverage required by this clause. Policy declaration and endorsement pages shall be included with renewal certificates and amendatory endorsements submissions and shall be furnished to County within thirty days of the expiration of the term of any required policy. Contractor shall permit County at all reasonable times to inspect any required policies of insurance. The Contract/Project Number should be noted in the "Description of Operations" box located near the bottom of the form. Additionally, the "Certificate Holder" box should designate the address of the responsible department or department representative to ensure the documents are received by the appropriate party.

7. Failure to Obtain or Maintain Insurance; County's Remedies

Contractor's failure to provide insurance specified or failure to furnish certificates of insurance and amendatory endorsements or failure to make premium payments required by such insurance shall constitute a material breach of the Contract, and County may, at its option, terminate the Contract for any such default by Contractor.

8. No Limitation of Obligations

The foregoing insurance requirements as to the types and limits of insurance coverage to be maintained by Contractor, and any approval of said insurance by the County are not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by Contractor pursuant to the Contract, including, but not limited to, the provisions concerning indemnification.

10. Self-Insurance

Contractor may, with the prior written consent of County Risk Management, fulfill some or all of the insurance requirements contained in this Contract under a plan of self-insurance. Contractor shall only be permitted to utilize such self-insurance if in the opinion of County Risk Management, Contractor's (i) net worth, and (ii) reserves for payment of claims of liability against Contractor, are sufficient

to adequately compensate for the lack of other insurance coverage required by this Contract. Contractor's utilization of self-insurance shall not in any way limit liabilities assumed by Contractor under the Contract.

11. Claims Made Coverage

If coverage is written on a "claims made" basis, the Certificate of Insurance shall clearly so state. In addition to the coverage requirements specified above, such policy shall provide that:

- A. The policy retroactive date coincides with or precedes Contractor's commencement of work under the Contract (including subsequent policies purchased as renewals or replacements).
- B. Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
- C. If insurance is terminated for any reason, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.
- D. The policy allows for reporting of circumstances or incidents that might give rise to future claims.

12. Subcontractors' Insurance

Contractor shall require and verify that all subcontractors maintain insurance meeting all requirements stated herein, and Contractor shall ensure that Entity is an additional insured on insurance required from subcontractors. For CGL coverage, subcontractors shall provide coverage with a form at least as broad as CG 20 38 04 13. If any sub contractor's coverage does not comply with the foregoing provisions, Contractor shall defend and indemnify the County from any damage, loss, cost, or expense, including attorneys' fees, incurred by County as a result of subcontractor's failure to maintain required coverage.

13. Waiver of Subrogation

Contractor hereby grants to County a waiver of their rights of subrogation which any insurer of Contractor may acquire against County by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.
