SECTION 2 – INSTRUCTIONS TO PROPOSERS

2.1 Obtaining RFP Documents and Addenda:

- A. RFP documents including addenda can be found on the San Francisco City Partner site at:
<https://sfcitypartner.sfgov.org/pages/Events-BS3/event-search.aspx>
- B. Proposers will then need to search the **Sourcing Event ID** listed above for all related documents. It is the Proposer's responsibility to check the San Francisco City Partner site regularly to stay current on the documents that are available as this is the primary communication site for this RFP.
- C. The City may modify this solicitation, prior to the proposal due date, by issuing an addendum to the solicitation, which will be posted on the San Francisco City Partner site. Every addendum will create a new version of the sourcing event and Proposers must monitor the event for new versions. The Proposer shall be responsible for ensuring that its proposal reflects any and all addenda issued by the City prior to the proposal due date regardless of when the proposal is submitted. Therefore, the City recommends that the Proposer consult the website frequently, including shortly before the proposal due date, to determine if the Proposer has downloaded all solicitation addenda. It is the responsibility of the Proposer to check for any addenda, and updates, which may be posted to the subject solicitation.
- D. The submittal of a response to this solicitation shall explicitly stipulate acceptance by Proposers of the terms found in this solicitation, any and all addenda issued to this solicitation, and the proposed contract terms.

2.2 Submission of Proposals:

A. How to Register as a City Supplier

The following requirements pertain only to Proposers not currently registered with the City as a Supplier.

Step 1: Register as a Bidder at the San Francisco City Partner site:

<https://sfcitypartner.sfgov.org/pages/BidderRegistration-BS3/bidder-registration-1.aspx>

Step 2: Follow the [step-by-step instructions](#) on SF.gov for converting your Bidder ID to a Supplier ID. This will require you to register with the City Tax Collector's Office and submit the online 12B Declaration for Article 131 (Equal Benefits Program) compliance through the City Partner site. Once these forms have been completed, submitted, and processed, you will be notified via email with your organization's new Supplier ID. That email will also provide instructions for completing your Supplier registration.

- 1. **City Business Tax Registration Inquiries:** For questions regarding business tax registration procedures and requirements, contact the Tax Collector's Office at (415) 554-4400 or, if calling from within the City and County of San Francisco, 311.
- 2. **Equal Benefits Program Inquiries:** For questions concerning the San Francisco Labor and Employment Code Articles 131 and 132, go to: www.sfgov.org/cmd.

B. Time and Place for Submission of Proposals

- 1. Prior to the proposal submission deadline, Proposers must upload their complete Proposals into the San Francisco City Partner site:
<https://sfcitypartner.sfgov.org/pages/index.aspx>.
- 2. Each original proposal received will be screened to ensure that all content required by this solicitation is included. Partial or complete omission of any required content may

disqualify proposal from further consideration. Failure to adhere to the above requirements may result in the complete rejection of your proposal.

3. Proposers should upload and submit their proposals to the San Francisco City Partner site as early as possible to allow time for any technical issues. The site will automatically close at the submission deadline, and late proposals will not be accepted. Uploading a proposal is not enough, Proposers must press "Submit" before the deadline.
4. Proposals must be received by the due date and time shown in the RFP. Proposals that are submitted by email will not be accepted.
5. Proposals must be submitted through the San Francisco City Partner site. However, if the site is not functioning, Proposers must notify the Procurement Officer listed in Section 1.4 (Procurement Officer and Delivery Address) and provide proof of the issue. In such cases, proposals may be delivered in person as a backup. The deadline for in-person delivery is the same as the deadline for submission via the San Francisco City Partner site. The City is not responsible for proposals lost or not delivered by your courier of choice. Courier or package tracking is recommended if you use in-person delivery. If delivering by mail or courier, please email a tracking # (if available) or notice of mailing to the Procurement Officer listed in this RFP.

2.3 Request for Clarifications/Questions:

- A. Questions must be submitted by email to the Procurement Officer whose name and contact information listed in Section 1.4 (Procurement Officer and Delivery Address) of this solicitation no later than e-questions due date. Questions received after this date and time may not be answered.
- B. Only questions that have been resolved by formal written addenda to this solicitation will be binding. Oral and other interpretations or clarifications will be without legal or contractual effect.

2.4 Proposer's Minimum Qualifications:

Proposers must provide documentation that clearly demonstrates each Minimum Qualification (MQ) listed below has been met. Minimum Qualification documentation should be clearly marked as "MQ1", MQ2", etc.... to indicate which MQ it supports. Each proposal will be reviewed for initial determination on whether Proposer meets the MQs referenced in this section. This screening is a pass or fail determination and a proposal that fails to meet the Minimum Qualifications will not be eligible for further consideration in the evaluation process. The City reserves the right to request clarifications from Proposers prior to rejecting a proposal for failure to meet the Minimum Qualifications.

MQ #	Description

- B. If the City receives a Public Records Request ("Request") pertaining to this solicitation, City will use its best efforts to notify the affected Proposer(s) of the Request and to provide the Proposer with a description of the material that the City deems responsive and the due date

for disclosure ("Response Date"). If the Proposer asserts that some or all of the material requested contains or reveals valuable trade secret or other information belonging to the Proposer that is exempt from disclosure and directs the City in writing to withhold such material from production ("Withholding Directive"), then the City will comply with the Withholding Directive on the condition that the Proposer seeks judicial relief on or before the Response Date. Should Proposer fail to seek judicial relief on or before the Response Date, the City shall proceed with the disclosure of responsive documents.

 - 2. **City's Cyber Risk Assessment Questionnaire:** Proposer's responses to a City's Cyber Risk Assessment Questionnaire.
 - 3. The above reports may be requested at such time City has selected or is considering a potential Proposer. The reports will be evaluated by the soliciting Department and the City's Department of Technology to identify existing or potential cyber risks to City. Should such risks be identified, City may afford a potential Proposer an opportunity to cure such risk within a period of time deemed reasonable to City. Such remediation and continuing compliance shall be subject to City's on-going review and audit through industry-standard methodologies, including but not limited to: on-site visits, review of the entities' cybersecurity program, penetration testing, and/or code reviews.

Should a Proposer object on any ground to any provision or legal requirement set forth in this solicitation, the Proposer must, no later than the deadline for questions, provide written notice to the City setting forth with specificity the grounds for the objection. The failure of a Proposer to object in the manner set forth in this paragraph shall constitute a complete and irrevocable waiver of any such objection.

Such protest must be received by the City no later than the deadline for submission of questions as set forth in the solicitation schedule. The written protest must clearly identify each allegedly restrictive specification, explain in detail why the specification is deemed restrictive or biased, and include all supporting facts, evidence, and any applicable law, rule, ordinance, or procedure. The protest must be signed by an individual authorized to represent the Proposer. Failure to submit a timely protest will be deemed a waiver of the Proposer's right to challenge the content of the solicitation.

B. Protest of Non-Responsiveness Determination

Within three business days of the City's issuance of a Notice of Non-Responsiveness, a Proposer may submit a written Notice of Protest of Non-Responsiveness. The Notice of Protest must include a written statement specifying in detail each and every one of the grounds asserted for the protest. The Notice of Protest must be signed by an individual authorized to represent the Proposer, and must cite the law, rule, local ordinance, procedure or solicitation provision on which the protest is based. In addition, the Notice of Protest must specify facts and evidence sufficient for the City to determine the validity of the protest. Please note that a disagreement with how an individual evaluator scored a proposal does not constitute valid grounds for a protest.

E. Delivery of Protests

A Notice of Protest must be delivered to the Procurement Officer whose name and contact information appears in this solicitation, and to My Lan Do Nguyen, Manager of Contractual Pre-Award, at mylando.nguyen@sfdph.org. A Notice of Protest must be written; protests made orally (e.g., by telephone) will not be considered. It must be transmitted by a means

The City reserves the right to award additional contracts under this solicitation if additional funding becomes available or programmatic needs change. Such awards may be made to Proposers that submitted proposals in response to this solicitation, whether or not they were selected for an initial award, provided the Proposers met the Minimum Qualifications and their proposals were determined to be responsive. Any additional awards must occur during the initial contract term identified in Section 1.2 (Contract Term) of this solicitation (excluding any options to extend) and will be limited to the scope of services, products, and pricing proposed by the Proposers as of the deadline identified in Section 1.3 (Solicitation Schedule) as the "Deadline to Submit Proposals."

3.12 Revision to Proposal:

A Proposer may revise a proposal on the Proposer's own initiative at any time before the deadline for submission of proposals. The Proposer must submit the revised proposal in the same manner as the original. A revised proposal must be received on or before, but no later than the proposal due date and time. In no case will a statement of intent to submit a revised proposal, or commencement of a revision process, extend the proposal due date for any Proposer. At any time during the Proposal evaluation process, the City may require a Proposer to provide oral or written clarification of its Proposal. The City reserves the right to make an award without further clarifications of proposals received.

3.13 Proposal Errors and Omissions:

Failure by the City to object to an error, omission, or deviation in the proposal will in no way modify the solicitation or excuse the Proposer from full compliance with the specifications of this solicitation or any contract awarded pursuant to this solicitation.

3.14 Financial Responsibility:

The City accepts no financial responsibility for any costs incurred by a Proposer in responding to this solicitation. Proposers acknowledge and agree that their submissions in response to this solicitation will become the property of the City and may be used by the City in any way deemed appropriate.

Any requested changes to the contract will be considered at that time and if changes are allowed, they will be sent out through an addendum to all Proposers. Exceptions to the City's solicitation document or standard boilerplate language, insurance requirements, terms, or conditions, etc. may only be considered during the early stage of the solicitation process; and shall not be included in the submitted proposals. The City makes no guarantee that any exceptions will be approved but will consider any requests put forward in the request for clarification/question process.

A Business Associate Agreement (BAA) applies to this solicitation if the services described will require Proposer to do one or more of the following:

- A. Create, receive, maintain, or transmit PHI for or on behalf of City/DPH (including storage of PHI, digital or hard copy, even if Proposer does not view the PHI or only does so on a random or infrequent basis); or
- B. Receive PHI, or access to PHI, from City/DPH or another Business Associate of City, as part of providing a service to or for City/DPH, including legal, actuarial, accounting, consulting, data aggregation, management, administrative, accreditation, or financial; or
- C. Transmit PHI data for City/DPH and require access on a regular basis to such PHI, (such as health information exchanges (HIEs), e-prescribing gateways, or electronic health record vendors).

If any of the above apply, Proposer will be a Business Associate of City/DPH as defined under HIPAA. The DPH Business Associate Agreement will automatically become part of any resulting contract, and Proposer must comply with its terms.

If none of the above apply, Proposer will not be a Business Associate of City/DPH, and the DPH Business Associate Agreement will not apply to any resulting contract.

3.28 Protected Health Information

Proposer, and any subcontractors, agents, and employees of Proposer or its subcontractors, must comply with all federal and state laws governing the transmission, storage, and protection of private health information disclosed by City in the performance of any resulting contract. Any failure to comply with federal, state, or local privacy laws will be a material breach of the contract. If City pays a regulatory fine or is assessed civil penalties or damages through private rights of action based on an impermissible use or disclosure of protected health information given to Proposer or its subcontractors or agents by City, Proposer will indemnify City for the amount of

such fine, penalties, or damages, including notification costs. In addition to any other remedies available under equity or law, City may terminate the contract in such an event.

3.29 Exclusion Lists and Employee Verification

Upon hire and monthly thereafter, Proposer must check the exclusion lists published by the Office of the Inspector General (OIG), General Services Administration (GSA), and the California Department of Health Care Services (DHCS) to confirm that no employee, temporary employee, volunteer, consultant, or governing body member responsible for overseeing, administering, or delivering state or federally funded services appears on these lists. Anyone on an exclusion list may not work on the program or with the agency. Proposer must retain proof of these checks for seven years.

3.30 Prevention of Fraud, Waste and Abuse

Proposer must comply with all laws designed to prevent fraud, waste, and abuse, including provisions of state and federal law applicable to healthcare providers and transactions, such as the False Claims Act (31 U.S.C. § 3729 et seq.), the Anti-Kickback Statute (42 U.S.C. § 1320a-7b(b)), the Physician Self-Referral Law (Stark Law, 42 U.S.C. § 1395nn), and California Business & Professions Code § 650. Proposer must immediately notify City of any suspected fraud, waste, or abuse under state or federal law.

3.31 Participate in DPH Performance Improvement Process (PIP) and Monitoring

DPH requires vendors to participate in periodic and annual review of the contract deliverables. DPH will work with the Proposer to select appropriate measurable data to use as a measure of satisfactory delivery of the service or products. This may include delivering various reports or data periodically to DPH.

3.32 Web Content Accessibility Guidelines (WCAG) 2.1 Level AA

If the technology to be procured under this solicitation will be public facing (i.e., members of the public will use it to learn about, apply for, pay for, or otherwise access City services or information), the following requirements apply: A Proposer selected pursuant to this solicitation shall adhere to the requirements of the Americans with Disabilities Act of 1990, as amended (42 U.S.C. SECTION 6 – PROPOSAL EVALUATION, SELECTION PROCESS AND AWARD OF CONTRACT

6.1 Evaluation of Proposals:

- A. This solicitation has been developed in the best value format. Accordingly, Proposers should take note that multiple factors as identified in the solicitation will be considered by the evaluation panel to determine which proposal best meets the requirements set forth in the solicitation document. Price alone will not be the sole determining criteria.
- B. An evaluation panel, using the following evaluation criteria for this RFP, will evaluate all responsive proposals to this solicitation. Proposers are requested to submit their proposals so that they correspond to and are identified with the following specific evaluation criteria as outlined in Section 5.2:

Selection Criteria	Points
Minimum Qualifications	Pass/Fail
Section 5.2 Content A: Firm's (including any subcontractors) Qualifications and experience in providing similar services as defined in the RFP, including References	20
Section 5.2 Content B: Staff or Team's (including any subcontractors) Qualifications and experience in providing similar services as defined in the RFP	25
Section 5.2 Content C: Demonstrated Understanding of the overall project and requested scope of work	35
Section 5.2 Content F: Cost Proposal	20
Total Points**	100
Application of LBE Rating Bonuses***	See Section 3.1.B

****Interviews** – The City reserves the right to interview a subset of top-scored Proposers, based on a natural break in the evaluation scores. A natural break is defined as a clear point in the scoring distribution where there is a significant gap between the scores of higher-ranked Proposers and the next group of lower-ranked Proposers. The intent is to ensure that only the most competitive Proposers advance to the interview stage. If interviews are required, the Proposers invited to interview will be notified in advance and provided a format and time for the interviews. An additional 25 points will be used to score the interview based on the same criteria listed in the RFP. The 25 points will be prorated in the same proportion as the proposal scoring listed in the table above.

*****LBE Rating Bonuses** – If applicable, a Contract Monitoring Division (CMD) Contract Compliance Officer will assess proposal compliance with Local Business Enterprise (LBE) requirements and assign a rating bonus to proposal scores. The CMD-adjusted scores (if applicable) will then be tabulated and used to determine each Proposer's final score. LBE Rating Bonuses shall be applicable to each phase of the solicitation evaluation and selection process, in accordance with the values shown in section 3.1.B of the RFP. The City will apply the bonus to the final composite score for the phase (e.g., the 100-point total that combines technical narrative and cost proposal), not to individual criteria. If there are multiple stages (e.g., interviews), the applicable LBE bonus will be applied once to each phase's composite score.

Best and Final Offers – The City reserves the right to ask for best and final offers where costs are over budget.

Tie Breaker – The following criteria shall be applied to resolve tied scores:

1. A San Francisco Proposer receives consideration over an out-of-town Proposer.
2. A California Proposer receives consideration over an out-of-state Proposer.
3. As a final resort, the Procurement Officer may randomly select a name by drawing with a second City representative present to witness the process. Proper documentation of the selection and award will be kept on file.

6.2 Cost Proposal Scoring:

Cost proposals will be evaluated based on total proposed cost. The Proposer offering the lowest total cost will receive the full 20 points for the cost proposal. All other proposals will receive a prorated score based on the following formula: $(\text{Lowest Cost} \div \text{Proposal Cost}) \times 20$ points. Unless otherwise agreed by the City, the proposed scope of work and pricing will be included in the resulting contract(s), and the Contractor will be required to deliver services at those levels and costs.

6.3 Selection Process:

Selection will be made by totaling the points from the technical proposal, the cost proposal, and the interview/demo (if applicable). The City reserves the right to negotiate the terms and conditions of any resulting contract. Final contract award, if any, will be made by the Director of Health or Board of Supervisors depending on value. The selected Proposer will be required to comply with all insurance and license requirements of the City.

6.4 Award of Contract:

The City shall award a primary contract to the Proposer that meets the Minimum Qualifications of this solicitation whose proposal receives the highest number of points ("Primary Contractor"). The City shall also award a secondary contract to the Proposer that meets the Minimum Qualifications of this solicitation whose proposal receives the second highest number of points ("Secondary Contractor"). The Primary Contractor shall be responsible for providing the goods and/or services described in this solicitation. In the event the Primary Contractor is unable to perform in accordance with the contract terms, the City may require the Secondary Contractor to provide such goods and/or services. The City reserves the right, at its sole discretion, to modify Contractor designations, including primary and secondary assignments, based on Contractor performance, timeliness, and quality of service delivery, or to procure the goods and/or services from another source.

SECTION 7 – CITY’S CONTRACT TERMS

The successful Proposer will be required to enter into a contract substantially in the form of Attachment M (City's Contract Terms) presented in this solicitation. Proposers must review this contract for acceptance during the solicitation process, and any change requests or questions must be submitted during the question-and-answer period outlined in the solicitation. The City will not accept any changes to the contract after the question period closes. **Proposals submitted with exceptions to the scope or contract terms will not be advanced in the evaluation process.**

Contract exceptions must be submitted as a separate Word document following the format below. Requests that do not follow these instructions will not be considered.

- a. State the original contract term as written.
- b. Provide the proposed revised contract term, with:
 - i. Added language in **bold and highlighted in yellow**

Minimum Compensation Ordinance (MCO) Declaration

What the Ordinance does. The Minimum Compensation Ordinance (MCO) became effective October 8, 2000, and was later amended by the Board of Supervisors, with an effective date for the amendments of October 14, 2007. The MCO requires City contractors and subcontractors to pay Covered Employees a minimum hourly wage and to provide 12 compensated and 10 uncompensated days off per year. The minimum wage rate may change from year to year and Contractor is obligated to keep informed of the then-current requirements.

The MCO applies only if you have at least \$25,000 in cumulative annual business with a City department or departments and have more than 5 employees, including employees of any parent, subsidiaries and subcontractors.

The City may require contractors to submit reports on the number of employees affected by the MCO.

Effect on City contracting. For contracts and amendments signed on or after October 8, 2000 the MCO will have the following effect:

- In each contract, the contractor will agree to abide by the MCO and to provide its employees the minimum benefits the MCO requires, and to require its subcontractors subject to MCO to do the same.
- If a contractor does not agree to provide the MCO's minimum benefits, the City will award a contract to that contractor **only if** the contractor has received an approved exemption or waiver under MCO from the Office of Labor Standards Enforcement (OLSE) through the contracting Department. The contract will not contain the agreement to abide by the MCO if there is an exemption or waiver on file.

What this form does. If you can assure the City now that, beginning with the first City contract or amendment you receive after October 8, 2000 and until further notice, you will provide the minimum benefit levels specified in the MCO to your covered employees, and will ensure that your subcontractors also subject to the MCO do the same, this will help the City's contracting process.

If you cannot make this assurance now, please do not return this form.

For more information, (1) see our Website, including the complete text of the ordinance: www.sfgov.org/olse, (2) e-mail us at: MCO@sfgov.org, (3) Phone us at (415) 554-7903.

3.3.6 Grant Funded Contracts.

(a) **Grant Terms.** The funding for this Agreement is provided in full or in part by a Federal or State Grant to City. As part of the terms of receiving the funds, City is required to incorporate some of the terms into this Agreement. The incorporated terms may be found in Appendix [insert the appendix letter], "Grant Terms." To the extent that any Grant Term is inconsistent with any other provisions of this Agreement such that Contractor is unable to comply with both the Grant Term and the other provision(s), the Grant Term shall apply.

(b) **Disallowance.** If Contractor requests or receives payment from City for Services, reimbursement for which is later disallowed due to Contractor's non-compliance with the Grant Terms, Contractor shall promptly refund the disallowed amount to City upon City's request. At its option, City may offset the amount disallowed from any payment due or to become due to Contractor under this Agreement or any other agreement between Contractor and City.

(c) **Subgrantees.** Contractor shall insert each Grant Term into each lower tier subcontract. Contractor is responsible for compliance with the Grant Terms by any subcontractor, lower-tier subcontractor or service provider.

3.3.7 Payment Terms.

(a) **Payment Due Date.** Unless City notifies the Contractor that a dispute exists, Payment shall be made within [≥ 30] calendar days, measured from (1) the rendering of the Services or (2) the date of receipt of the invoice, whichever is later. Payment is deemed to be made, for the purpose of earning the discount, on the date City issued a check to Contractor or, if Contractor has agreed to electronic payment, the date City posted electronic payment to Contractor.

3.4 Audit and Inspection of Records. Contractor agrees to maintain and make available to City, during regular business hours, accurate books and accounting records relating to its Services. Contractor will permit City to audit, examine and make copies of such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not less than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

3.4.1 Contractor shall annually have its books of accounts audited by a Certified Public Accountant and a copy of said audit report and the associated management letter(s) shall be transmitted to the Director of Public Health or his /her designee within one hundred eighty (180) calendar days following Contractor's fiscal year end date. and General Accounting Office. Contractor agrees to reimburse the City any cost adjustments necessitated by this audit report. Any audit report which addresses all or part of the period covered by this Agreement shall treat the service components identified in the detailed descriptions attached to Appendix A and referred to in the Program Budgets of Appendix B as discrete program entities of the Contractor.

3.4.3 The Director of Public Health or his / her designee may approve a waiver of the audit requirement in Section 3.4.2 above, if the contractual Services are of a consulting or personal services nature, these Services are paid for through fee for service terms which limit the City's risk with such contracts, and it is determined that the work associated with the audit would produce undue burdens or costs and would provide minimal benefits. A written request for a waiver must be submitted to the DIRECTOR ninety (90) calendar days before the end of the Agreement term or Contractor's fiscal year, whichever comes first.

3.4.4 Any financial adjustments necessitated by this audit report shall be made by Contractor to the City. If Contractor is under contract to the City, the adjustment may be made in the next subsequent billing by Contractor to the City, or may be made by another written schedule determined solely by the City. In the event Contractor is not under contract to the City, written arrangements shall be made for audit adjustments.

3.5 **Submitting False Claims.** The full text of San Francisco Administrative Code Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Any contractor or subcontractor who submits a false claim shall be liable to City for the statutory penalties set forth in that section.

3.6 **Payment of Prevailing Wages.**

3.6.1 **Covered Services.** Services to be performed by Contractor under this Agreement will involve the performance of work covered by Articles 101 through 107 of the San Francisco Labor and Employment Code, as applicable, including without limitation the California Labor Code provisions incorporated therein (collectively, "Covered Services"), all of which is incorporated into this Agreement as if fully set forth herein and will apply to any Covered Services performed by Contractor and its subcontractors.

3.6.2 **Wage Rates.** The latest prevailing wage rates for private employment on public contracts as determined by the San Francisco Board of Supervisors, as such prevailing wage rates may be changed during the term of this Agreement, are hereby incorporated as provisions of this Agreement. Contractor agrees that it shall pay not less than the highest general Prevailing Rate of Wages to all workers employed by Contractor who perform Covered Services under this Agreement. Copies of the Prevailing Rate of Wages as fixed and determined in accordance with Labor and Employment Code Section 103.2 are available from the City's Office of Labor Standards and Enforcement ("OLSE") and are on file at the Department's principal office or at the job site and shall be made available to any interested party on request.

3.6.3 **Subcontract Requirements.** Contractor shall insert in every subcontract for the performance of Covered Services under this Agreement a provision

requiring subcontractor to pay all persons performing labor in connection with Covered Services under the subcontract not less than the highest general prevailing rate of wages as determined by the Board of Supervisors for such labor and services.

3.6.4 Job Site Notices and Records. Contractor shall prominently post at each job site a sign informing employees that the work is subject to the City's Prevailing Wage requirements and that these requirements are enforced by OLSE. Contractor shall also maintain a sign-in and sign-out sheet in a format prescribed by OLSE showing which employees are present on the job site.

3.6.5 Payroll Records. Contractor shall keep or cause to be kept, for a period of four years from the date of completion of the subject work, complete and accurate payroll records for all workers performing Covered Services, including without limitations time cards, trust fund reports, apprenticeship agreements, accounting ledgers, tax forms, proof of payment, and superintendent and foreperson daily logs for all trades workers performing work. Such records shall include the name, address and social security number of each worker who provided Covered Services, including apprentices, their classification, a general description of the Services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every subcontractor who shall perform any part of Covered Services shall keep a like record of each person engaged in the execution of Covered Services under the subcontract. All such records shall at all times be available for inspection of and examination by City and its authorized representatives.

3.6.6 Certified Payrolls. Contractor shall prepare certified payrolls for the period involved for all employees, including those of subcontractors, who performed Covered Services. Contractor and each subcontractor performing Covered Services shall electronically submit certified payrolls to City using OLSE's certified payroll reporting system. Contractor and all subcontractors that will perform Covered Services shall attend a training session on the preparation and electronic submission of certified payroll records provided by City. Contractor and applicable subcontractors shall comply with electronic certified payroll requirements (including training) at no additional cost to City.

3.6.7 Compliance Monitoring. Covered Services performed under this Agreement are subject to compliance monitoring and enforcement of prevailing wage requirements by OLSE. Contractor and any subcontractors performing Covered Services will cooperate fully with OLSE and other City employees and agents authorized to assist in the administration and enforcement of the prevailing wage requirements. Contractor agrees that (i) OLSE shall have the right to engage in random inspections of job sites and have access to the employees of the Contractor, employee time sheets, inspection logs, payroll records and employee paychecks, and (ii) OLSE may audit such records of Contractor and any subcontractors as it reasonably deems necessary. Failure to comply with these requirements may result in penalties and forfeitures pursuant to the California Labor Code, including Section

1776(h), as amended from time to time, and San Francisco Labor and Employment Code Article 101 through 107, as applicable.

3.6.8 **Remedies.** Should Contractor, or any subcontractor performing Covered Services, fail or neglect to pay to the persons who perform Covered Services under this Agreement or subcontract for the Covered Services, the general prevailing rate of wages as herein specified, Contractor shall forfeit, and in the case of any subcontractor so failing or neglecting to pay said wage, Contractor and the subcontractor shall jointly and severally forfeit, back wages due plus the penalties set forth in the San Francisco Labor and Employment Code and/or California Labor Code Section 1775. City, when certifying any payment which may become due under the terms of this Agreement, shall deduct from the amount that would otherwise be due on such payment the amount of said forfeiture.

Article 4 Services and Resources

4.1 **Services Contractor Agrees to Perform.** Contractor agrees to perform the Services stated in **Appendix A, “Scope of Services.”** Officers and employees of City are not authorized to request and City is not required to compensate for Services beyond those stated.

4.2 **Qualified Personnel.** Contractor represents and warrants that it is qualified to perform the Services for which it is contracted to provide through this Agreement, and that all Services will be performed by competent personnel with the degree of skill and care required by current and sound professional procedures and practices. Contractor will comply with City’s reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City’s request, must be supervised by Contractor. Contractor shall commit sufficient resources for timely completion within the project schedule.

4.3 **Subcontracting.** Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All subcontracts must incorporate the terms of Article 10 “Additional Requirements Incorporated by Reference” of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void. City’s execution of this Agreement constitutes its approval of the subcontractors listed below and/or in appendices.

4.4 **Independent Contractor; Payment of Employment Taxes and Other Expenses.**

4.4.1 **Independent Contractor.** For the purposes of this Section 4.4, “Contractor” shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor is an independent contractor and is wholly responsible for the manner and means by which it performs the Services and work required under this Agreement. Contractor, including its agents and employees will not represent or hold itself/themselves out to be employees of City at any time. Contractor shall not have employee status with City, nor be entitled to participate

in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor is liable for its acts and omissions. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing Services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor, or any of its agents or employees. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with Section 4.4. Should City determine that Contractor is not performing in accordance with the requirements of Section 4.4, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past Services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 4.4 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this Section.

4.5 Assignment. The Services to be performed by Contractor are personal in character. This Agreement may not be directly or indirectly assigned, novated, or otherwise transferred unless first approved by City by written instrument executed and approved in the same manner as this Agreement. Any purported assignment made in violation of this provision shall be null and void.

4.6 **Warranty.** Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

4.7 **Liquidated Damages.** By entering into this Agreement, Contractor agrees that in the event the Services are delayed beyond the scheduled milestones and timelines as provided in Appendix A, "Scope of Services," City will suffer actual damages that will be impractical or extremely difficult to determine. Contractor agrees that the sum of **[insert whole dollar amount in words and numbers -- no pennies and no ".00"]** per calendar day for each day of delay beyond scheduled milestones and timelines is not a penalty, but is a reasonable estimate of the loss that City will incur based on the delay, established in light of the circumstances existing at the time this Agreement was awarded. City may deduct a sum representing the liquidated damages from any money due to Contractor under this Agreement or any other contract between City and Contractor. Such deductions shall not be considered a penalty but rather agreed upon monetary damages sustained by City because of Contractor's failure to furnish deliverables to City within the time fixed or such extensions of time permitted in writing by City.

4.8 **Performance Bond.** The Contractor is required to furnish a performance bond in a form acceptable to City, in a sum of not less than **[insert bonding level]** of the annual amount of the contract to guarantee the faithful performance of this contract. The bond must be approved as to sufficiency and qualifications of the surety by the Controller.

4.9 **Fidelity Bond or Crime Insurance.** Contractor shall maintain throughout the term of this Agreement, at no expense to City, a fidelity bond or a crime policy (Employee Dishonesty Coverage) covering all officers and employees in an amount of not less than **[insert bond or insurance level]** and including City as obligee or loss payee as its interest may appear. If insurance coverage is written on a claims-made basis, the retroactive date shall be coincident with or prior to the date of the Agreement. The coverage shall be continuous for the duration of the Agreement and for not less than 24 months following the end of the Agreement.

4.10 **Emergency - Priority 1 Service.** In case of an emergency that affects any part of the San Francisco Bay Area, Contractor will give the City and County of San Francisco Priority 1 service with regard to the Services procured under this Agreement unless preempted by State and/or Federal laws. Contractor will make every good faith effort in attempting to deliver Services using all modes of transportation available. In addition, the Contractor shall charge fair and competitive prices for Services ordered during an emergency and not covered under the awarded Agreement.

5.1.4 Primary Insurance.

(b) Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, be maintained for a period of three (3) years beyond the expiration of this Agreement, to the effect that, should occurrences during the Agreement term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

(c) Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

(d) Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

(e) Before commencing any Services, Contractor shall furnish to City certificates of insurance including additional insured and waiver of subrogation status, as required, with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing

all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

(f) If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco and its officers, agents, and employees, and the Contractor as additional insureds and waive subrogation in favor of City, where required.

5.2 Indemnification.

5.2.1 Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all liabilities (legal, contractual, or otherwise), losses, damages, costs, expenses, or claims for injury or damages (collectively, "Claims"), arising from or in any way connected with Contractor's performance of the Agreement, including but not limited to, any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personal identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; except to the extent such indemnity is void or otherwise unenforceable under applicable law, and except where such Claims are the result of the active negligence or willful misconduct of City and are not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on, Contractor, its subcontractors, or either's agent or employee. Contractor shall also indemnify, defend and hold City harmless from all suits or claims or administrative proceedings for breaches of federal and/or state law regarding the privacy of health information, electronic records or related topics, arising directly or indirectly from Contractor's performance of this Agreement. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants, experts, and related costs, and City's costs of investigating any claims against City.

5.2.2 In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such Claim is tendered to Contractor by City and continues at all times thereafter.

6.2 Liability for Use of Equipment. City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 Liability for Incidental and Consequential Damages. Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

Article 7 Payment of Taxes

7.1 Contractor to Pay All Taxes. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 Possessory Interest Taxes. Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to timely report on behalf of City to the County Assessor the information required by San Francisco Administrative Code Section 23.39, as amended from time to time, and any successor provision. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to City under the San Francisco Business and Tax Regulations Code. Any

payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination ("Notice of Termination"). The Notice of Termination shall specify the date on which termination of the Agreement shall become effective ("Termination Date").

8.1.2 Upon receipt of the Notice of Termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to affect the termination of this Agreement on the Termination Date and to minimize the liability of Contractor and City to third parties as a result of the termination. All such actions shall be subject to the prior approval of City. Such actions may include any or all of the following, without limitation:

Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the cancellation of such orders and subcontracts.

(e) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the cancelled orders and subcontracts.

(f) Taking such action as may be necessary, or as City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

(a) The reasonable cost to Contractor, without profit, for all Services provided prior to the Termination Date, for which City has not already made payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be

separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.

(b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(c) The reasonable cost to Contractor of handling and returning material or equipment delivered to City or otherwise disposed of as directed by City.

(d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of such materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the Termination Date, except for those costs specifically listed in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.6 **Payment Obligation.** City's payment obligation under Section 8.1, "Termination for Convenience" shall survive termination of this Agreement.

DATA SHARING AGREEMENT

Recitals

WHEREAS, the Parties wish to state the terms and conditions under which the City will share City Data with Contractor; and

WHEREAS, Contractor represents and warrants that it has a legitimate need for shared City Data, and will limit use of such shared City Data exclusively to those purposes; and

WHEREAS, until Contractor and the City enter into a subsequent data sharing agreement that supersedes this Agreement, Contractor agrees to be bound by all of the terms and conditions set forth herein and further agrees that the terms and conditions of this Agreement constitute the sole Agreement between the Parties regarding the sharing of City Data;

Now, **THEREFORE**, Contractor agrees to be bound by the following terms:

Article 1 Definitions

The following definitions apply to this Agreement:

1.1. **“Breach”** means the unauthorized acquisition, access, use, or disclosure of Protected Health Information (“PHI”) that compromises the security or privacy of such information.

1.2. **“City Data”** means all data that provided to Contractor under this Agreement, whether such City Data is individual or aggregated.

1.3. **“Breach”** means the unauthorized acquisition, access, use, or disclosure of City Data, including but not limited to Protected Health Information (“PHI”), that compromises the security or privacy of such information, except where an unauthorized person to whom such information is disclosed would not reasonably have been able to retain such information.

1.4. **“Party”** and **“Parties”** mean the City and Contractor either collectively or individually.

Article 2 City Data Sharing

2.1 Purpose.

The City provides Contractor with access to shared City Data solely for the purposes detailed in **the Statement of Work**. Any use outside of the scope detailed in the Agreement shall constitute a material breach of this Agreement.

2.2 Data Sharing Limits.

This Agreement supersedes all pre-existing data sharing agreements, if any, between the City and Contractor. The City reserves the right to revoke, limit, or modify any and all data sharing terms as deemed appropriate by the City acting in its sole discretion.

2.3 Secure Data Sharing.

The City will share City Data with Contractor via an encrypted Secure File Transfer Protocol (SFTP).

2.4 Qualified Personnel.

Contractor shall allow only qualified personnel under Contractor's direct supervision to access shared City Data.

2.5 As Is Data Sharing.

The City provides Contractor with shared City Data on an "as is" basis with no guarantee as to usefulness. To the fullest extent permissible by applicable law, the City disclaims all warranties, express or implied, including, without limitation, implied warranties of merchantability, fitness for a particular purpose, title and non-infringement.

2.6 Safeguards.

Contractor shall safeguard the confidentiality of all shared City Data at all times.

2.7 No Re-Disclosure.

Contractor may not redisclose shared City Data.

2.8 Data Transmission.

2.9 Subcontracting.

Contractor remains fully responsible for its subcontractor(s) throughout the term and/or after expiration of this Agreement. All Subcontracts must incorporate the terms of this Data Sharing Agreement. To the extent that any subcontractor would have access to shared City Data, each such subcontractor's access must be limited and subject to the same governing terms to the same extent as Contractor's access. In addition, each contract between Contractor and that subcontractor must, except as the City otherwise agrees, include a Business Associate Agreement requiring such subcontractor to comply with all regulatory requirements regarding third-party access, and include a provision obligating that subcontractor to (1) defend, indemnify, and hold the City harmless in the event of a data breach in the same manner in which Contractor would be so obligated, (2) provide cyber and technology errors and omissions insurance with limits identified in Article 5, and (3) destroy or return all City data in an agreed upon machine readable format at the expiration of the subcontract term.

shall indemnify City for the amount of such fine or penalties or damages, including costs of notification. For clarity, Contractor, not the City, is responsible for the costs of breach.

2.11 Disposition of Data.

At the termination or expiration of this Agreement, or upon written request of the City, Contractor shall destroy, if any, all hardcopy data printed under this Agreement and may be required to sign an attestation that all hardcopy data in its possession was destroyed. Contractor shall ensure that such data has been destroyed in accordance with the U.S. Department of Health and Human Services Secretary's guidance regarding proper destruction of protected health information.

Encryption must be a FIPS 140-2 certified algorithm which is 128 bit or higher, such as AES.
6. **Antivirus Software.** All owned or managed workstations, laptops, tablets, smart phones, and similar devices that process and/or store City Data must install and actively use comprehensive anti-virus software solution with automatic updates scheduled at least daily.
7. **Patch Management.** To correct known security vulnerabilities, Contractor shall install security patches and updates in a timely manner on all Contractor-owned or managed workstations, laptops, tablets, smart phones,

and similar devices that process and/or store City Data as appropriate based on Contractor's risk assessment of such patches and updates, the technical requirements of Contractor's systems, and the vendor's written recommendations. If patches and updates cannot be applied in a timely manner due to hardware or software constraints, mitigating controls will be implemented based upon the results of a risk assessment.

8. **Password Policy.** All users must be issued a unique username for accessing City Data. Contractor's must maintain a password policy based on information security best practices as required by 45 CFR § 164.308 and described in NIST Special Publication 800-63B.

2. **Warning Banners.** All systems (servers, desktops, laptops, etc.) containing City Data must display a warning banner at login stating that data is confidential, systems are logged, and system use is for business purposes only. User must be directed to log off the system if they do not agree with these requirements.
3. **System Logging.** The system must maintain an automated audit trail which can identify the user or system process which initiates a request for City Data, or which alters City Data. The audit trail must be date and time stamped, must log both successful and failed accesses, must be read only, and must be restricted to authorized users. If City Data is stored in a database, database logging functionality must be enabled. Audit trail data must be archived for at least one (1) year after occurrence.
4. **Access Controls.** The system must use role-based access controls for all user authentications, enforcing the principle of least privilege.
5. **Transmission Encryption.** All data transmissions of City Data by Contractor outside the secure internal network must be encrypted using a FIPS 140-2 certified algorithm, such as Advanced Encryption Standard (AES), with a 128-bit key or higher. Encryption can be end-to-end at the network level, or the data files containing City Data can be encrypted. This requirement pertains to any type of City Data in motion such as website access, file transfer, and email.
6. **Intrusion Detection.** All systems involved in accessing, holding, transporting, and protecting City Data that are accessible via the Internet must be protected by a comprehensive intrusion detection and prevention solution.

iii. Audit Controls.

1. **System Security Review.** All systems processing and/or storing City Data must have at least an annual system risk assessment/security review which provides assurance that administrative, physical, and technical controls are functioning effectively and providing adequate levels of protection. Reviews shall include vulnerability scanning tools.

2. **Log Reviews.** All systems processing and/or storing City Data must have a routine procedure in place to review system logs for unauthorized access.
3. **Change Control.** All systems processing and/or storing City Data must have a documented change control procedure that ensures separation of duties and protects the confidentiality, integrity and availability of data.

iv. Business Continuity/Disaster Recovery Controls.

1. **Disaster Recovery.** Contractor must establish a documented plan to enable continuation of critical business processes and protection of the security of electronic City Data in the event of an emergency. 2. **Data Backup Plan.** Contractor must have established documented procedures to backup City Data to maintain retrievable exact copies of City Data. The plan must include a regular schedule for making backups, storing backups offsite, an inventory of backup media, and the amount of time to restore City Data should it be lost. At a minimum, the schedule must be a weekly full backup and monthly offsite storage of City data.

v. Paper Document Controls.

1. **Supervision of Information.** City Data in paper form shall not be left unattended at any time, unless it is locked in a file cabinet, file room, desk or office. Unattended means that information may be observed by an individual not authorized to access the information. The parties agree that any ambiguity in the terms of this BAA shall be resolved in favor of a meaning that complies and is consistent with HIPAA, the HITECH Act, the HIPAA regulations, and other state and federal laws related to security and privacy of health information.
