Specifications/ Scope of Work

INTRODUCTION:

The El Paso County 65th Family Drug Court & The Juvenile Probation Department is seeking qualified firms for counseling services for Family Drug Court participants who are in need of individual treatment. The services will address substance abuse related issues to reduce repeated involvement with Child Protective Services (CPS) due to drug use. This Request for Qualifications ("RFQ") and any resulting contract(s) will be administered by the Department. The County is seeking to award a 3 year contract with the option to renew for 2 additional years, upon mutual consent of both parties. **The County may award one or more contracts to qualified individuals or companies.** The transition will be completed within 30 days to ensure a smooth and organized transfer of responsibilities from the current agency to the receiving agency. During this period, all active cases will be reviewed, updated, and formally closed out in accordance with agency policies, with all required documentation completed before transfer. Upon completion of the closeout process, each case file will be securely transferred to the new agency, ensuring continuity of services and an efficient transition for all parties involved.

Statement: Participants in the Family Drug Court & JPD are afforded the opportunity to receive substance abuse/co-occurring disorder treatment interventions to increase the probability of successful completion of the program.
