The County has attempted to provide all information available. It is the responsibility of each Respondent to review, evaluate, and, where necessary, request any clarification prior to submission of a Response. If any person contemplating submitting a response to this Request for Proposal (RFP) is in doubt as to the true meaning of any part of the solicitation documents attached hereto or finds discrepancies in or omissions from the specifications, they may submit a written request for clarification/interpretation to the County Deputy Procurement Agent (DPA) via the County's eProcurement Portal under the bid page for this solicitation. If clarification or interpretation of this solicitation is considered necessary by County, an addendum shall be issued, and the information will be posted via the County's eProcurement Portal. Any interpretation of, or correction to, this solicitation shall be issued by the DPA. It is the responsibility of each Respondent to periodically check the County's eProcurement Portal to ensure that they have received and reviewed any and all addenda to this solicitation. The County will not be responsible for any other explanations, corrections to, or

interpretations of the documents, including any oral information. If an addendum is issued, Respondents must acknowledge the addendum via the County's eProcurement Portal. All questions or requests for interpretations must be received within this solicitation by Friday, September 11, 2026, before 4:00 pm. All responses to this solicitation shall be type written (12-point Times New Roman font, and single line spacing on 8.5 x 11-inch sized document) or word-processed (except where otherwise provided or noted), concise, straightforward, and must fully address each requirement and question. Paraphrasing the RFP questions is not permitted. Although not as a substitute for a complete written response, additional material, such as technical documents, may be referenced in any response if the material is included in the same section as additional information. Text located in other documents (e.g., references to "see attached" or hyperlinks) will not be evaluated or scored.
- F. **Responses are not to be marked as confidential or proprietary.** The County may refuse to consider any Responses so marked. All Responses and supporting documents will be subject to the provisions of the California Public Records Act (California Code Government Code 7920.000 et seq.) (PRA) and will be disclosed or withheld in accordance therewith. The County shall not be liable in any way for disclosure of any such records. Additionally, all Responses shall become the property of the County. Respondents should not request that certain information be treated as exempt, and statements in the Responses should not be marked as confidential or proprietary. - G. Each Respondent shall exercise reasonable care and diligence to avoid submitting a Response that could result in a conflict of interest if Respondent were to be selected. This obligation shall apply to the Respondent, the Respondent's employees, agents, and relatives, sub-contractors, and third parties associated with accomplishing work and services in response. In the event Respondent has done work for the County on this Project in the past or has reason to believe that a conflict of interest may exist for Respondent in regard to this Project, Respondent should consult with its legal counsel prior to responding to this solicitation. Any Respondent who is found to have an actual conflict of interest may have its response rejected on that ground. Respondent, its employees and/or consultants may be subject to the provisions of the California Political Reform Act of 1974 (the "Act"), which (1) requires such persons to disclose any financial interest that may be materially affected by services provided under this Contract, (2) prohibits such persons from making, or participating in making, decisions that could reasonably affect such interest; and (3) may require the filing a Statement of Economic Interest (Form 700). If subject to the Act, Respondent shall conform to all requirements of the Act. Failure to do so shall constitute a material breach and is grounds for immediate termination of the Contract by County. Respondent shall indemnify and hold harmless County for any and all claims for damages resulting from Respondent's violation of this Section.

- K. - L. Where two or more Respondents desire to submit a single response to this solicitation, they must do so on a prime/subcontractor basis rather than as a joint venture. Respondents may continue conducting business with the County on matters unrelated to this solicitation and may communicate with County staff, provided the solicitation is not discussed. Any attempt to engage in discussion regarding this solicitation with anyone other than the designated DPA will be presumed to create an unfair competitive advantage and may result in disqualification.

- C. Lack of responsibility as shown by past work, references, or other factors.
- D. Respondent is in arrears or in default to the County on any debt or agreement or defaults upon any obligation to the County or has failed to faithfully perform any previous agreement with County at the County's sole determination.

- E. Submission of a response that is late, conditional, incomplete, ambiguous, obscure or which contains alterations not called for, or irregularities of any kind, except as those determined by the County, at its sole discretion, as a minor irregularity or a defect or variation in the proposal that is immaterial or inconsequential.
- F. Other causes, as the County deems appropriate, at its sole and absolute discretion.

The County's determination as to whether a Respondent is qualified and responsible will be based on the information furnished by Respondent in response to this RFP, interviews with Respondent (if applicable), as well as from other sources determined to be valid by the County. The County reserves the right to verify and validate any information prior to awarding a contract and during the entire term of the contract. Award will not be made until after such investigations, as are deemed necessary, are made by the County regarding the experience and financial responsibility of Respondent which each Respondent agrees to permit by submitting its response.

The initial three-year agreement may be renewed, subject to contractor performance and continued funding, for a two-year term, without a competitive bid process, at the sole discretion of the County.

The County reserves the right to award a one (1) year contract through this RFP, which may be renegotiated and/or renewed, subject to contractor performance and continued funding, for a two-year term without a competitive bid process, at the sole discretion of the County. In the event of a one (1) year contract award, the estimated amount available for the first year is \$2,549,909, and the estimated amount available for each additional one-year term is \$2,549,909. The amount allocated to this RFP is approximate and tentative at this time.

The funding for the contract resulting from this RFP is contingent upon the State budget; receipt of funds from and/or obligation of funds by the Federal Government to the State and from the State to the County; and inclusion of sufficient funding for the services hereunder in the budget approved by the County's Board of Supervisors for each fiscal year covered by said contract. If such approval, funding, or appropriations are not forthcoming, or are otherwise limited, the contract may be immediately terminated, reduced, or modified without penalty.

2. Request for Proposal - RFP

- a. No Cost - Any Request for Proposals that does not include cost as a scoring criteria shall instead apply the five percent (5%) or eight percent (8%) preference percentage pursuant to the eligibility requirements above to a scoring criteria in the RFP that makes up no more than twenty percent (20%) of the total RFP.
- b. With Cost - An additional five percent (5%) shall be applied to the total cost of each certified DVBE to obtain their final score. If the final score of any DVBE matches the final score of a respondent who is not a DVBE, preference shall be given to the certified DVBE. If two or more DVBEs have the same final score, the County shall determine the contract award based on the County's best interests. Notwithstanding these preference procedures, the Orange County Board of Supervisors reserves the right to award contracts in any other permissible manner in consideration of the County's best interests.

C. Subcontractors

If bidder is submitting subcontractors to qualify for the DVBE preference, bidder must demonstrate through the Staffing Plan that 20% of the total bid amount is allocated to the DVBE subcontractor(s).

**\*NOTE: DVBE PREFERENCE IS NOT APPLICABLE TO PUBLIC WORKS OR A-E CONSTRUCTION PROJECTS.**

## **SECTION 5. DESCRIPTION OF SERVICES and SCOPE OF WORK**

### **5.1 GENERAL INFORMATION:**

The County of Orange is comprised of 22 Departments and over 18,000 employees located throughout the County. The County's core businesses are public safety, public works, construction management, public health, environmental protection, regional planning, public assistance, social services, and aviation.

### **5.2 BACKGROUND**

The County of Orange (County) Social Services Agency (SSA) is requesting proposals to provide Independent Living Program (ILP) Services to youth/young adults sixteen (16) to twenty-five (25) years of age, or as otherwise authorized by Federal and State regulations, who were or are placed in out-of-home care between the ages of sixteen (16) and nineteen (19). The program's goal is for youth/young adults (hereinafter referred to as "Participants") to achieve self-sufficiency and strengthen their transition into adulthood and economic security.

ILP provides Participants access to a vast array of services, resources, training, and coaching. Participants will have the opportunity to receive individualized one-on-one meetings with trained

ILP staff and participate in seminars, workshops, and special events that build skills in areas such as education, employment readiness, and/or daily living. Participants eighteen (18) to twenty-five (25) years of age will also receive assistance with housing stabilization, including but not limited to rental negotiations, landlord training, supplies and the management of rental funds.

It is estimated that approximately 350 Participants will be served by the program each contract year. There are approximately 1,161 youth/young adults between the ages of sixteen (16) and twenty-five (25) years who are eligible to receive ILP services. It is not anticipated that the entire number of eligible youth/young adults will be served. The County does not guarantee a minimum number of referrals or Participants that may be served under the contract resulting from this RFP. Please see below table for demographic details of youth/young adults eligible for ILP services as of July 1, 2026.
