C. Required Review

Comments from Proposers concerning defects and objectionable material in this RFP must be made in writing and received by the RFP contact prior to the deadline for submission of questions identified in Section II or at least ten (10) calendar days before the Deadline for Proposals (whichever occurs last). This will allow issuance of any necessary amendments or addendums to the RFP. It will also help prevent the opening of a defective RFP and exposure of Proposals upon which an award could not be made. Protests based on any omission or error, or on the content of this RFP, may be disallowed if not submitted in writing to the attention of the RFP Contact, prior to the deadline for submission of questions identified in Section II or at least ten (10) calendar days before the Deadline for Proposals (whichever occurs last).

D. Incurred Costs

The County is not obligated to pay any costs incurred by Proposer in the preparation of a Proposal in response to this RFP. Proposers agree that all costs incurred in developing a Proposal are the Proposer's responsibility.

E. Amendments/Addendums to RFP

The County reserves the right to issue amendments or addendums to this RFP if the County considers that changes are necessary or additional information is needed.

Changes to a Proposal or withdrawal of a Proposal will only be allowed if a request is received prior to the Deadline for Proposals. No amendments or withdrawals will be accepted after the Deadline for Proposals.

F. Best Value Evaluation

As established in this RFP, the County realizes that criteria other than price are important and will award contract(s) based on the Proposal that best meets the needs of the County. The County seeks the optimal combination of quality, price, and various qualitative elements of the required Services that will provide the County the greatest or best value for its money.

G. Right of Rejection

Offers must comply with all of the terms of the RFP, and all applicable local, state, and federal laws, codes, and regulations. The County may reject as non-responsive any Proposal that does not comply with all of the material and substantial terms, conditions, and performance requirements of the RFP. Further, the County may reject a proposal from any entity that is a parent, affiliate, or subsidiary, or that is under common ownership, control, or management with any other entity submitting a Proposal in response to this RFP.

A Proposer may not qualify the Proposal nor restrict the rights of the County. If Proposer does so, the Proposal may be determined to be a non-responsive counter-offer and the Proposal may be rejected.

No Proposal shall be rejected, however, if it contains a minor irregularity, defect or variation. If the irregularity, defect or variation is considered by the County to be immaterial or inconsequential, the County may choose to accept the Proposal.

Minor irregularities may be waived by the Purchasing Agent when they are any of the following:

1. Do not affect responsiveness;
2. Are merely a matter of form or format;
3. Do not change the relative standing or otherwise prejudice other offers;
4. Do not change the meaning or scope of the RFP;
5. Are trivial, negligible, or immaterial in nature;
6. Do not reflect a material change in the work; or
7. Do not constitute a substantial reservation against a requirement or provision.

In such cases the Proposer will be notified of the deficiency in the Proposal and given an opportunity to correct the irregularity, defect or variation or the County may elect to waive the deficiency and accept the Proposal. The decision to provide a waiver shall in no way modify or compromise the overall purpose of the submittal, nor excuse the Proposer from compliance with all requirements if awarded a Contract.

This RFP does not commit the County to award a contract. The County reserves the right to reject any or all Proposals if it is in the best interest of the County to do so. The County also reserves the right to terminate this RFP process at any time.

H. Local Preference

The San Bernardino County has adopted a Local Preference Policy. A local preference of five percent (5%) shall be applied in the cost evaluation of proposals or bids for goods, services, equipment, or a minor public work project, unless an exemption applies. In a price-based bid, five percent (5%) will be deducted from the local vendor's proposed cost for the purpose of comparison when the local vendor's proposed cost is not the lowest. If the local vendor's bid is equal to or lower than the price of an otherwise successful non-local vendor after the 5% preference is applied, the local vendor will be given the opportunity to match the lowest quoted price. In a best value evaluation, five percent (5%) of the awardable points for cost will be added to the local vendor's score. If the local vendor's overall score is equal to or lower than that of an otherwise successful nonlocal vendor, the local vendor will be recommended for award.

"Due to the evaluation of qualitative elements along with cost in a best value evaluation, application of local preference for cost proposals may not result in award to a local vendor with the lowest cost after applying local preference."

Local Vendor - A local vendor is any vendor, contractor or consultant (hereafter "vendor") that meets all of the following requirements:

1. Vendor's main office (headquarters) or a major regional office is located within the County;
2. Vendor employs a minimum of 25% of the vendor's full-time management employees and 25% of its full-time regular employees working from the San Bernardino County location(s);
3. Vendor employs one full-time or two part-time employees with primary residence in the County;
4. Vendor's "point of sale" for purposes of reporting sales tax to the State Board of Equalization is within the boundaries of the County. The payment of any local share of sales tax must go to the County or a city within the County. If the local business has more than one sales office in the State of California, the office located in the County shall be the point of sale for sales tax calculation;
5. Vendor is not delinquent in any taxes or other payments to the County;
6. Vendor possesses a valid and verifiable business license (if required);

7. Vendor has been open and established for at least six months prior to the issuance of the solicitation;
8. Vendor can demonstrate on-going business activity in the field of endeavor on which they are proposing from that office during the preceding six months;
9. Vendor has not within five years prior to the solicitation admitted guilt or been found guilty by any court or state or federal regulatory enforcement agency of violation of any criminal law or any law or regulation regarding fraud;
10. Vendor is not federally debarred; and
11. Vendor is not suspended or debarred from participation in doing business with the County, in the scope of work that is the subject of the solicitation.
12. Local Vendor Self-certification – Documentation provided

Local Vendor self-certification form is required for any bid or proposal when a local preference is claimed affirming that it meets each of the above stated criteria, and signed by a vendor representative with the authority to obligate the company under penalty of perjury. (See Attachment J)

I. Clarification of Offers

In order to determine if a Proposal is reasonably susceptible for award, communications by the Facilitator for the evaluation panel are permitted with a Proposer to clarify uncertainties or eliminate confusion concerning the contents of a Proposal. Clarifications may not result in a material or substantive change to the Proposal. The evaluation by the panel may be adjusted as a result of a clarification under this section.

J. Public Records Act

All Proposals and other material submitted become the property of the County and are subject to release according to the California Public Records Act (Government Code § 7920.000). All Proposal information, including cost information, will be held in confidence during the evaluation and negotiation process. Thereafter, Proposals are subject to becoming a non-exempt public record.

If a Proposer believes that any portion of its Proposal is exempt from public disclosure, it must indicate the specific portions believed to be confidential and not subject to disclosure on Attachment H - Public Records Act Exemptions. The Proposer also must include a brief description that sets out the reasons for exemption from disclosure. Each stated exemption must include a citation to supporting legal authority, including statutory authority or case law, to support exemption from the Public Records Act. Requested exemptions that do not meet the requirements of this section will not be considered.

The County will use reasonable means to ensure that such information is safeguarded, but will not be held liable for inadvertent disclosure of the information. Proposals marked "Confidential" in their entirety will not be honored, and the County might not deny public disclosure of any portion of Proposals so marked.

By submitting a Proposal with portions identified in Attachment H as "Confidential," Proposer represents that it has a good faith belief that such portions are exempt from disclosure under the California Public Records Act. Proposer may be requested to obtain legal protection from disclosure should a Public Records Act request be received. In the event the County does not disclose the information marked "Confidential," Proposer agrees to reimburse the County for, and to indemnify, defend (with counsel approved by County) and hold harmless the County, its officers, employees, agents, and volunteers from and against any and all claims, damages, losses, liabilities, suits, judgments, fines, penalties, costs and expenses, including without limitation, attorneys' fees, expenses and court costs of any nature arising from or relating to the County's non-disclosure of any such designated portions of a Proposal.

Failure to provide this information may result in the Proposal being deemed non-responsive.

L. Iran Contracting Act of 2010

In accordance with Public Contract Code section 2204(a), the Proposer certifies upon submission that the Proposer signing the Proposal is not identified on a list created pursuant to subdivision (b) of Public Contract Code section 2203 (<https://www.dgs.ca.gov/PD/Resources/Page-Content/Procurement-Division-Resources-List-Folder/List-of-Ineligible-Businesses>) as a person (as defined in Public Contract Code section 2202(e)) engaging in investment activities in Iran described in subdivision (a) of Public Contract Code section 2202.5, or as a person described in subdivision (b) of Public Contract Code section 2202.5, as applicable.

Proposers are cautioned that making a false certification may subject the Proposer to civil penalties, termination of an existing contract, and ineligibility to bid on a contract for a period of three (3) years in accordance with Public Contract Code section 2205. Proposer agrees that signing the Proposal shall constitute signature of this Certification.

M. Disclosure of Criminal and Civil Proceedings

The County reserves the right to request the information described herein from the Proposer selected for Contract award. Failure to provide the information may result in a disqualification from the selection process and no award of Contract to the Proposer. The County also reserves the right to obtain the requested information by way of a background check performed by an investigative firm. The selected Proposer may also be asked to provide information to clarify initial responses. Negative information provided or discovered may result in disqualification from the selection process and no award of Contract.

In addition, the selected Proposer may also be asked to disclose whether the firm, or any of its partners, principals, members, associates or key employees, within the last ten years, has been the subject of legal proceedings as defined herein arising directly from the provision of services by the firm or those individuals. "Legal proceedings" means any civil actions filed in a court of competent jurisdiction, or any matters filed by an administrative or regulatory body with jurisdiction over the firm or the individuals. If the response is affirmative, the Proposer will be asked to describe any such legal proceedings (and the status and disposition thereof) and the surrounding circumstances in detail.

For purposes of this provision "key employees" includes any individuals providing direct service to the County. "Key employees" do not include clerical personnel providing service at the firm's offices or locations.

F. INTERVIEW, PRESENTATION, OR DEMONSTRATION

Weight: 5% Considerations:

- Content conveyed or demonstrated in person to the evaluation panel
- Proposer demonstrated a clear understanding of the County's needs
- General organization of the presentation or demonstration
- Proposer's ability to answer questions posed by the County

- Proposer inspired confidence in the project plan or team

The County may, at its sole discretion, create a shortlist of Proposals for further evaluation; require an oral interview, presentation, or demonstration; and utilize outside experts to assist in the evaluation process; and/or issue a request for Best and Final Offer (BAFO) from one or more Proposers.

The County will establish an evaluation panel with responsibility for reviewing all Proposals and conducting the evaluation. A Facilitator will manage the integrity of the evaluation process and will not be a voting member of the evaluation panel. An initial meeting will be scheduled and held with the evaluation panel members, wherein the Facilitator will distribute all relevant information to the evaluators including the RFP, evaluation criteria, and evaluation instructions.

After the initial meeting, evaluators will independently review and score the Proposals. The evaluation panel will then convene again to discuss the individual scores to resolve questions and to discuss the basis for individual scores, but not for the evaluators to agree upon scoring. At the end of this discussion, each evaluator will be given an option to revise his/her scores.

Evaluators will make independent determinations for scores, including review and understanding of any additional information obtained by the group discussion. In the event a score is revised, the evaluator will, document the new score, and provide comments to support the revision.

If clarifying information is needed at any point, the Facilitator will contact Proposer(s) to obtain the necessary information. The Facilitator will then provide the information to the evaluation panel electronically or verbally, as appropriate.

If the evaluation process includes components such as oral interviews, product demonstration, and/or site visits, the Facilitator will coordinate those with evaluators. Individual scoring and any subsequent evaluation panel meetings with respect to such components must be conducted.

Once all ratings are finalized and documented, the Facilitator will create a final evaluation scoring worksheet.

VIII. NEGOTIATIONS AND NOTICE OF INTENT TO AWARD

The County may require the potential Proposer(s) selected to participate in negotiations. This may include cost, technical, or other clarifications needed to make a decision.

A. Contract Negotiation

After selection, negotiations may be conducted with the Proposer(s) of the highest-ranked Proposal(s). Negotiations, if held, shall be within the scope of work in the request for Proposals. If the contract negotiations take place in San Bernardino County, California, the Proposer will be responsible for its travel and per diem expenses of its personnel.

B. Failure to Negotiate

If the selected Proposer:

1. Fails to provide the information required to begin negotiations in a timely manner; or
2. Fails to negotiate in good faith; or
3. Indicates it cannot perform the Contract within the budgeted funds available for the Services; or
4. If the Proposer and the County, after a good faith effort, simply cannot come to terms;

Then the County may terminate negotiations with the Proposer initially selected and commence negotiations with the next highest rated Proposer.

C. Notice of Intent to Award (NOIA) – Proposer Notification of Selection

After the completion of Contract negotiations a written or electronic Notice of Intent to Award (NOIA) and denial letters (or a copy of the NOIA) will be issued to all Proposers. The issuance date of the NOIA is the date the NOIA was delivered by email or into the care of the United States Postal Service for delivery to the Proposer.

D. Review of Financial Performance

As indicated in Section VII, Section B, financial information may be used to evaluate and select the Proposal(s) deemed to be in the County's best interest. Alternatively, at the County's sole discretion, the financial performance of the intended Contractor may be assessed prior to Contract award. Financial performance deemed unsatisfactory by the County may result in non-award or a recommendation for award to another Proposer(s).

E. Award

A Contract will be awarded based on a competitive selection of Proposals received. The contents of the Proposal of the successful Proposer will become contractual obligations and failure to accept these obligations in a Contract may result in cancellation of the award.

IX. APPEAL AND AWARD

In the event a dispute arises concerning the Proposal process prior to the award of the Contract, the Proposer raising the dispute shall submit a request for resolution in writing to the Purchasing Agent. Proposer may appeal the recommended award or denial of award (Protest), provided the Protest:

1. Is submitted in writing.
2. Is submitted within ten (10) calendar days of the issuance date of the NOIA.

A Protest can only be brought on the following grounds:

1. Failure of the County to follow the selection procedures and adhere to requirements specified in the RFP or any addenda or amendments.
2. Violation of conflict of interest as provided by California Government Code Section 87100 et seq.
3. Violation of State or Federal law.

Protests will not be accepted for any other reasons than those stated above. All Protests must be sent to:

Stephenie Shea, Acting Director of Purchasing
San Bernardino County
Purchasing Department
777 E. Rialto Avenue
San Bernardino, CA 92415-0760

Upon receipt of the formal Protest, the Purchasing Agent, or his/her designee, will attempt to resolve the Protest. A Protest shall be disallowed when, in the judgment of the Purchasing Agent it has been submitted: (1) as a delay tactic; (2) for the purpose of posturing the Proposer advantageously for future procurement; (3) in a form that deviates from the one prescribed; (4) without adequate factual basis or merit; or (5) in an untimely manner.

The Purchasing Agent shall make a decision concerning the appeal, and notify the Proposer submitting the Protest, within a reasonable timeframe prior to the tentatively scheduled date for awarding the Contract. The decision of the Purchasing Agent shall be deemed final.

Alternatively, at the Purchasing Agent's discretion, an Appeal Panel consisting of five (5) members appointed by the Purchasing Agent shall hear the Protest. The Proposer will be provided reasonable notice of the time, date and location of the hearing. In the event that a protesting Proposer does not appear at the Protest hearing as scheduled, the Protest will be disallowed.

The hearing is informal, in that it is not subject to the strict rules of evidence or procedure, and live witnesses, if any, will not be sworn. All relevant evidence is admissible, including hearsay. It will be up to the Appeal Panel members to consider the credibility of the evidence and the weight to give it.

The Panel will determine by at least three (3) affirmative votes: 1) whether the Protest was submitted timely; 2) whether the Protest is based on at least one of the three designated grounds identified above; and 3) whether the grounds on which the Protest are based have been substantiated.

If any of the grounds are determined to be valid, the Panel will also decide if the valid portion of the Protest has so tainted the RFP process that it is unfair to the Proposer or whether the valid grounds for the Protest are in the nature of harmless error and that the RFP process was fair to the Proposer. The Panel will not re-evaluate the Proposals.

The Purchasing Agent shall notify the Proposer making the Protest of the decision, within a reasonable timeframe prior to the tentatively scheduled date for awarding the Contract. The decision of the Appeal Panel shall be deemed final. If the Contract must be approved by the Board, after receiving a decision from the Purchasing Agent or Appeal Panel, the Proposer may then present its Protest to the Clerk of the Board of Supervisors for the Board's review and decision. The Proposer must file its written Protest with the Clerk of the Board or provide a verbal Protest (typically limited to three minutes) prior to the Board making a decision on the Contract. Any decision of the Board shall be deemed final.

A Proposer protesting the results of any of the processes described herein must follow the procedures set forth. By submitting a "Letter of Intent to Protest", the Proposer has agreed that the protest procedures herein shall precede any action in a judicial or quasi-judicial tribunal regarding this Proposal. Protests that do not follow these procedures shall not be considered. The protest procedures constitute the sole administrative remedy available to the Proposer under this RFP. Upon exhaustion of this remedy no additional recourse is available.

X. TERMS AND CONDITIONS

The selected Proposer will be required to enter into a formal Contract with the County. This RFP sets forth some of the general provisions which will be included in the final Contract. B. Indemnification and Insurance Requirements

1. Indemnification

Contractor will indemnify, defend, and hold harmless County and its officers, employees, agents and volunteers, from any and all third party claims, costs (including without limitation reasonable attorneys' fees), and losses for infringement of any United States patent, copyright, trademark or trade secret (Intellectual Property Rights) by any Goods or Services. If a credible claim is made or threatened, including without limitation the filing of a lawsuit against County, or County receives a demand or notice claiming actual or potential infringement or misappropriation of any Intellectual Property Rights, County will use reasonable efforts to notify Contractor promptly of such lawsuit, claim or election. However, County's failure to provide or delay in providing such notice will relieve Contractor of its obligations only if and to the extent that such delay or failure materially prejudices Contractor's ability to defend such lawsuit or claim. County will give Contractor sole control of the defense (with counsel reasonably acceptable to County) and settlement of such claim; provided that Contractor may not

settle the claim or suit absent the written consent of County unless such settlement (a) includes a release of all claims pending against County, (b) contains no admission of liability or wrongdoing by County, and (c) imposes no obligations upon County other than an obligation to stop using the Goods or Services that are the subject of the claim. In the event that Contractor fails to or elects not to defend County against any claim for which County is entitled to indemnity by Contractor, then Contractor shall reimburse County for all reasonable attorneys' fees and expenses within thirty (30) days from date of invoice or debit memo from County. After thirty (30) days, County will be entitled to deduct any unpaid invoice or debit memo amount from any amounts owed by County to Contractor. This shall not apply to any judgment or settlement amount, which amounts County shall be entitled to notify, invoice or debit Contractor's account at any time; and County, at its sole discretion, may settle the claim or suit.

If, in Contractor's opinion, any goods or Services become, or are likely to become, the subject of a claim of infringement of Intellectual Property Rights, Contractor may, at its option: (i) procure for County the right to continue using the goods or receiving the Services; (ii) replace or modify the goods or Services to be non-infringing, without incurring a material diminution in performance or function; or (iii) if neither of the foregoing is feasible, in the reasonable judgment of Contractor, County shall cease use of the goods or Services upon written notice from Contractor, and Contractor shall provide County with a pro-rata refund of the unearned fees paid by County to Contractor for such goods or Services.

Additional Insured

All policies, except for the Workers' Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming the County and its officers, employees, agents and volunteers as additional insureds with respect to liabilities arising out of the performance of Services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

Waiver of Subrogation Rights

The Contractor shall require the carriers of the required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, Contractors, and Subcontractors. All general or auto liability insurance coverage provided shall not prohibit the Contractor and Contractor's employees or agents from waiving the right of subrogation prior to a loss or claim. The Contractor hereby waives all rights of subrogation against the County.

Policies Primary and Non-Contributory

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.

Severability of Interests

Contractor agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the Contractor and County or between the County and any other insured or additional insured under the policy.

Proof of Coverage

Contractor shall furnish Certificates of Insurance to the County Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of Services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of Services hereunder until the completion of such Services. Within fifteen (15) days of the commencement of this Contract, Contractor shall furnish a

copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

Acceptability of Insurance Carrier

Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A-VII".

Deductibles and Self-Insured Retention

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

Failure to Procure Coverage

In the event that any policy of insurance required under this contract does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the Contract or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by the Contractor or County payments to the Contractor(s)/Applicant(s) will be reduced to pay for County purchased insurance.

Insurance Review

Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interest of the County. In addition, if Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the these insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

2. Insurance Specifications

Contractor agrees to provide insurance set forth in accordance with the requirements herein. If Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so.

Without in any way affecting the indemnity herein provided and in addition thereto, the Contractor shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a “dropdown” provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.

Contractor shall give full cooperation, in any auditing or monitoring conducted. Contractor shall cooperate with the County in the implementation, monitoring and evaluation of this Contract and comply with any and all reporting requirements established by the County. Contractor shall repay to County within thirty (30) days of receipt of audit findings any reimbursements made by County to Contractor that are determined by subsequent audit to be unallowable pursuant to the terms of this Contract or by law.

2. Records

Contractor shall maintain all records and books pertaining to the delivery of Services under this Contract and demonstrate accountability for Contract performance. All records shall be complete and current and comply with all Contract requirements. Failure to maintain acceptable records shall be considered grounds for withholding of payments for invoices submitted and/or termination of Contract.

All records relating to the Contractor's personnel, Contractors, Subcontractors, Service/Scope of Work and expenses pertaining to this Contract shall be kept in generally acceptable accounting format. Records should include primary source documents. Fiscal records shall be kept in accordance with Generally Accepted Accounting Principles and must account for all funds, tangible assets, revenue and expenditures. D. Correction of Performance Deficiencies

1. In the event of a problem or potential problem that could impact the quality or quantity of work, Services, or the level of performance under this Contract, Contractor shall notify the County within one (1) working day, in writing and by telephone.
2. Failure by Contractor to comply with any of the provisions, covenants, requirements or conditions of this Contract shall be a material breach of this Contract.
3. Contractor's Primary Contact and County Representative shall attempt in good faith to promptly resolve any dispute, controversy or claim arising out of this Contract. If these representatives are

unable to resolve a dispute, controversy or claim with ten (10) days after the initial request for a meeting, then the dispute shall be submitted to an executive-level performance review.

If the Primary Contact and County Representative are not successful in resolving the dispute, negotiations shall be conducted by the Chief Executive Officer, or designee and the highest level executive for Contractor. If these representatives are unable to resolve the dispute within ten (10) days after the representatives have commenced negotiations, or 20 days have passed since the initial request for negotiations at this level, the Parties may agree in writing to submit the dispute to mediation.

4. In the event of a non-cured breach, County may, at its sole discretion and in addition to any other remedies available at law, in equity, or otherwise specified in this Contract.

In the event of such termination, the County may proceed with the work in any manner deemed proper by the County. The cost to the County shall be deducted from any sum due to the Contractor under this Contract and the balance, if any, shall be paid by the Contractor upon demand.
5. Unless a remedy is specifically designated as exclusive, no remedy conferred by any of the specific provision of the Contract is intended to be exclusive of any other remedy, and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder, now or hereafter existing at law or in equity or by statute or otherwise. The election of any one or more remedies by either Party shall not constitute a waiver of the right to pursue other available remedies.
